

Course fees are instructional fees charged on an individual basis per semester to help offset the higher costs of specialized supplies and equipment unique to these courses. Lab courses not linked to a lecture course may also require payment of a course fee.

\* - In addition to the course fee listed, program fees apply.

## Spring 2012 Course Fees

Course fees are instructional fees charged on an individual basis per semester to help offset the higher costs of specialized supplies and equipment unique to these courses. Lab courses not linked to a lecture course may also require payment of a course fee.

\* - In addition to the course fee listed, program fees apply.

Unit is the same as credit hour.

## Summer 2012 Course Fees

Course fees are instructional fees charged on an individual basis per semester to help offset the higher costs of specialized supplies and equipment unique to these courses. Lab courses not linked to a lecture course may also require payment of a course fee.

In addition to course fees, [program fees](#) apply.
