Rates published by the Bursar's Office are the official rates approved by the Board of Regents and reflect the most accurate and up-to-date tuition and fee information. The Board of Regents reserves the right to change rates at any time. Tuition charged is based on residency, degree and number of credit hours. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken in Continuing Education incur separate tuition and fees. Rates may be subject to change.
