

## Undergraduate transfers – Sources and outcomes

CU-Boulder  
PBA, 3/09

Percentage of new undergraduate transfers, fall 2008, from

Colo community colleges	21%
Colo 4-year publics	24%
Out of state/private	52%

24% of all new undergraduates in calendar year 2008 were transfers – 18% of fall, 90% of spring, 72% of summer new degree-seeking undergraduates.

Six-year graduation rate and GPA at graduation for students starting as new full-time fall 2002 undergrads

Through summer 2008 degrees

Type	Source	Entered	Grad	GrdRt	CumGPA
Freshmen	None (Frosh)	5,311	3,541	67%	3.17
Transfers	Other	1,023	680	66%	3.18
	State 2 yr	250	161	64%	3.10
	All	1,273	841	66%	3.17

“State 2 yr” = Colorado community colleges

Many transfers, and freshmen, graduate in fewer than 6 years. Six years is the federal standard for reporting.
