Art Contest Winner

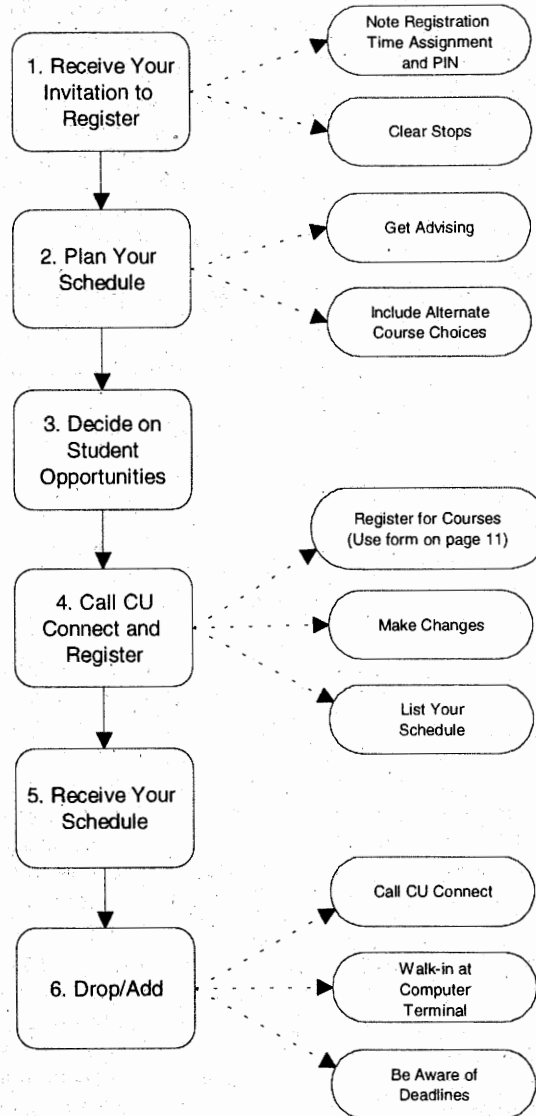

I was born and raised in Korea. I majored in social work during undergraduate school. During my senior year at the University, I decided to learn ceramics. It required backgrounds in both theory and practicing ceramics skills. As a result, I went to graduate school to major in ceramics. After earning a MFA, I joined the Mu-Kuk Ceramic Workshop led by Sin Kwon in 1989 before coming to CU in 1995. I am in the MFA program in ceramics to broaden my art world at CU.

While learning ceramic skills and working on my pieces, I had teaching experiences at the Kwandong University during my three years there. My art pieces were selected in several contests, but most importantly, I won a special recognition at the 9th Korea Craft Contest in 1994.

This piece was made as two different body pieces. It looked too much like a pot, and I wanted it more sculptural. I put one piece upside down and put the other piece on top of the upside down piece. It gave me a new image from the separate pieces. It reminds me of a sort of monument.

In color and pattern, I was looking for natural clay colors. I decorated the piece with white engobe and brown slip on the entire surface. I created the pattern with tools. I am always interested in "flowing" and "moving"; flowing of wind, light, wave, and line, etc. I would like to express, with form and line, the power and energy of a stream.

Six Easy Steps to Registration

This *Registration Handbook and Schedule of Courses* (RHSC) contains information you need to register for the fall 1997 semester, adjust your schedule, and pay your bill. If policies or procedures change, you will receive further information.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time of its printing (February 19, 1997), all information is subject to change.

The University of Colorado at Boulder has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, national origin, sex, age, disability, creed, religion, or veteran status.

Registration

Confirmed registration is for those students who are continuing with degree programs from the spring semester or summer, as well as for new graduate students and readmitted students. Incoming freshmen and transfer students registering *after* July 28 also register via confirmed registration. You can call CU Connect to register for courses, list your schedule, drop and add courses, and sign up for course wait lists. When you register via CU Connect, you receive immediate confirmation or denial of your enrollment in courses.

Registration Deadline - All students must complete registration by **midnight on August 15, 1997** to be guaranteed enrollment for fall semester 1997. (**Exception:** Incoming freshmen and transfer students attending the final arts and sciences and business orientation session in August must complete registration by 6:00 p.m. on August 21.) Students who do not register by these dates (including graduate students) are subject to late registration and a \$50 late fee.

Note: If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, Boulder, CO 80309-0020, or call (303) 492-4822. If you are deaf or hard of hearing, call 492-5841 (TTY).

1 Receiving Your Invitation to Register

Your personalized invitation to register is mailed to your mailing address.

Your invitation to register includes:

- *Your Personal Identification Number (PIN)* - Your PIN, in combination with your student number, allows you access to CU Connect, the Personal Look-Up Services (PLUS) on the Web, and the financial aid telephone system. Certain data specific to you is available on these systems, and your PIN controls access to this information. The PIN is a randomly set number, must be kept confidential, and remains the same throughout your career at CU-Boulder.

If you feel that your PIN is not secure and you wish to change it, go to the registrar's office in Regent 105.

- *Your registration time assignment* - This is the date and time you can call CU Connect to register for courses. You can call any time after your time assignment begins, through midnight on August 15. (**Exception:** CU Connect is not available for confirmed registration July 10 through August 3.) It is to your advantage to call as soon as possible after your registration time assignment begins. Registration time assignments for continuing students are based on the total number of hours completed at CU (any campus), transfer credit, and any courses you are currently enrolled in (as of February 14).

Graduating seniors receive the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and then second-semester freshmen. Within these groups, time assignments are random.

Freshman	0-29 hours
Sophomore	30-59 hours
Junior	60-89 hours
Senior	90-123 hours
5th Year Senior	124 hours and above

- *Advising notice* - If required by your college or school, consult with an advisor before registering. See page 26 for instructions.
- *Other stops* - Stops are holds that the University puts on student records for various reasons. Stops may originate from delinquent financial obligations, academic concerns, or even disciplinary matters. If you have any stops on your record, you are not allowed to register until you have cleared them all.

2 Planning Your Schedule

Use the schedule-planning worksheet on page 9 to fill out a preliminary schedule for fall 1997. Then, fill out the confirmed-registration form on page 11 before calling CU Connect. It is a good idea to include alternate course choices on your confirmed-registration form in case courses you request are full.

3 Deciding on Student Opportunities

In addition to the mandatory fees you must pay along with your tuition, there is a group of student opportunities available to you for which optional fees are charged. The opportunities consist of various services provided by the University, tickets for concerts, plays, and the like, and club and student groups in which you can participate or merely provide money for their use.

When you first call CU Connect to register for courses, you will hear a brief description of the student opportunity fees available to you and be asked to choose (or not) each opportunity. After you've made your choices, you'll be asked to confirm them. With this step completed, you can register for classes.

Student opportunities you have chosen will appear on your tuition and fee bill. If you want to change any of the student opportunities originally chosen, you **cannot** do so via CU Connect. Instead, you must call the appropriate office at the phone number listed below. Refunds will be given up to the drop/add deadline.

DESCRIPTIONS OF STUDENT OPPORTUNITIES FEES

Following are descriptions of all the opportunities available to you, including the fee for each opportunity.

Once you have registered, make adjustments to your schedule by calling CU Connect through the registration deadline, midnight on August 15. (**Exception:** Incoming freshmen and transfer students attending the final arts and sciences and business orientation session in August must complete registration by 6:00 p.m. on August 21.) After these dates, see page 14 for instructions on making final schedule adjustments during the drop/add period.

LINKED COURSES

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because *the call numbers for linked lectures are not listed*. Only the call numbers for the linked recitation or lab are listed. (For courses that have a required lecture, recitation, and a lab, the call numbers are *not listed* for the lecture and recitation; they are *only* listed for the lab.)

Note: This does not apply to courses that have a required lab with a different course number, e.g., EPOB 1210, General Biology 1 and EPOB 1230, General Biology Lab 1.

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically "links" all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all linked sections of the course.

SEARCHING FOR NEW COURSE SECTIONS

You may need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered *after the Registration Handbook and Schedule of Courses* has been published. When this happens, the department cancels the original section and adds a new section that reflects the time change.
- If you request a course section that is full, the computer voice asks you if you want to conduct a search for other open sections of that course. If you do, press **7#**. CU Connect will search for other sections of the course that are available and will fit your schedule. If one is available, you can register for that section.

Lists of available courses can be found at the Coors Events/Conference Center (August 22 and 24-26), in Regent 1B60 (August 27-29 and September 2-5), Regent 105, and on the World Wide Web. (To view available courses on the web, access the main UCB web pages at <http://www.colorado.edu>. Choose *Academic Life* and then choose *Course Availability Listings*.)

WAIT LISTS

Throughout the confirmed registration and drop/add periods, if you are eligible to take a course but find it is full, you may put your name on a computerized wait list. Each department determines if a wait list will be offered for a course and what type of wait list will be used. There are two types of wait lists:

- **Automatic wait lists** are set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.
- **Resequenced wait lists** use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect informs you if a class you have requested has a wait list and gives you the option of adding your name to the list. Press **9#** when prompted and listen for verification.

Note: CU Connect does **not** tell you what type of wait list is used for the course.

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and drop/add periods, it's a good idea to list your schedule frequently to find out your position on the wait list. To find out your wait-list position, call CU Connect and list your schedule by pressing **5#** (see the instructions on your confirmed registration form). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) will be announced when you list your schedule. Wait-list positions are normally updated nightly.

Placing your name on a wait list does not guarantee that you will be enrolled in that course, even if you're first on the wait list.

When a space opens up for you from a wait list, you are automatically enrolled in the class. *No verification is sent*. If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, drop the course as soon as possible.

Note: Wait-listed hours are included in your credit load limit. (See page 27.) You cannot be enrolled and wait listed for courses offered at the same time, and you cannot be wait listed for two courses offered at the same time.

It is your responsibility to find out if you have been enrolled in a course from the wait list. Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that course.

DEADLINES FOR WAIT LISTS

You may place your name on course wait lists through **midnight, Tuesday, September 2**. At that time, all wait lists are frozen.

If you are on a wait list as of September 3 and are still interested in taking that course, check with the department offering the course. You must let the department know you are still interested in the course, should an opening occur. *There is no automatic enrollment from wait lists after September 2*. All department wait lists are canceled at 5:00 p.m. on Friday, September 5, the drop/add deadline.

Note: If you're on the wait list as of midnight on September 2, and you don't get enrolled in the course (undergraduate courses only), you'll be eligible to reserve the course the next time it is offered under the Course Reservation Program. (See page 30.)

Fall 1997 Student Course Fees

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, materials, and instructional and related support that are required to teach courses in certain departments. **Note:** Course fees are listed by each course in the course listings beginning on page 34.

Enrollment Deposit

Your \$200 enrollment deposit is held for you by the University until you graduate or officially withdraw from the University within established dates and guidelines (see page 31 for the "Withdrawal Refund or Assessment Schedule"). At that time, the deposit is credited toward any outstanding financial obligations you may have, and a refund check is mailed to you within approximately eight weeks. Update your permanent address at the Office of the Registrar or the Bursar's Office before you graduate or withdraw to be sure you receive your refund. Interest earned from enrollment deposits is used for student financial aid.

If you enroll at the University the semester following your graduation, your enrollment deposit remains on your account. It is then refunded to you, in accordance with established University policy, when you are no longer enrolled.

Residency

Students classified as out-of-state residents who are seeking in-state tuition classification for fall 1997 should turn in residency petitions by **4:00 p.m., July 28, 1997**, to the Tuition Classification Office in Regent 1B54, Campus Box 68, Boulder, CO 80309-0068.

Petitions are accepted through August 29, 1997, but students who submit petitions after July 28 may not receive a decision by the tuition-payment deadline. Adjustments and reimbursements are made if a student's application is approved.

Students submitting a completed petition by May 15, 1997, receive a decision by the enrollment deposit refund deadline of July 30, 1997. Financial aid recipients seeking in-state classification should submit their petitions by May 15, 1997, to make sure their financial aid award is processed in time for fall semester.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 1B54, or by calling **(303) 492-6868**.

Student Health Insurance for Fall 1997

If you do not receive an insurance packet in the mail in the month of June, call **(303) 492-5107**. All students enrolled for 6 credit hours or more are **automatically charged for Plan A** of the student health insurance. If you do not wish to be insured through the University-sponsored plan, **you must submit a selection/waiver form** to Wardenburg Student Health Center (WSHC) by September 3, 1997. If you wish to waive insurance, the selection/waiver form is required because you will be responsible for your own

health care costs. The University is not responsible for your medical expenses.

Plan A insurance provides up to 100 percent coverage for eligible costs incurred at Wardenburg Student Health Center. It also provides 75 to 100 percent coverage at other medical facilities, after a deductible is satisfied, dependent upon the type of service rendered and the provider. The plan provides up to \$250,000 in coverage per illness or injury on a world-wide basis. Benefits are provided year round when both fall and spring semester are purchased. There are also other insurance options from which to select.

If you are taking 5 or fewer credit hours (this includes graduate students), or are enrolled in SAVE, Continuing Education, or the Time Out Program, the University-sponsored health plan is available at the same price that full-time students pay. You may also purchase insurance for your spouse or your children. If you wish to enroll in the student health plan or you wish to enroll your spouse or dependent, you must sign up at WSHC within the enrollment period, which is usually the first three weeks of the semester. Correspondence courses do not qualify for eligibility to enroll in the student insurance plan. To become eligible to purchase the insurance, you must first pay full USCU student fees. **Exception:** Approved doctoral candidates requesting student insurance are charged the full price for the insurance, and USCU student fees are reduced.

The University will contribute a portion of the cost toward either Option A or B, if you hold at least a 20 percent appointment as a teaching, research, or graduate assistant, or as a graduate part-time instructor.

If you do not wish to purchase University health insurance, complete a selection/waiver form to remove this charge from your bill. To be honored, waivers must be turned into WSHC by September 3, 1997. A selection/waiver form need not be submitted in the spring 1998 semester if you submitted one in the fall 1997 semester, unless you wish to change the insurance option for spring.

The selection/waiver form is a two-part form. Be sure to keep a copy for your files. If for some reason your original form does not reach the University Student Health Insurance Department, your copy will be honored through December 1, 1997.

If you fail to submit a selection/waiver form by September 3, 1997, you have the opportunity to petition the Student Health Board Fee Waiver Committee. If the committee denies your petition, you may appeal the decision to the USCU Appellate Court. The decision of the Appellate Court is final. If you are unsuccessful in your appeal, you must pay the student health insurance fee or be disenrolled from the University. The petition and appeal processes are available to you for the first two months of a semester only.

For more information about other insurance options or if you have questions, call the Student Insurance Office at **(303) 492-5107**.

Paying Your Bill

You may pay your bill by:

- *Cash* - All payment made by cash must be received at the cashier windows in the lobby of Regent.
- *Personal check, certified check, or cashier's check made payable to the University of Colorado* - If you pay by check, make sure your name and student number are on the check. Mail the check and the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes in the lobby and at the north and south entrances of Regent. *Do not use campus mail.*

If you write a bad check (regardless of the amount) to the University, you may be subject to late charges and service charges, and a stop will be placed on your record. A \$17 returned-check charge is assessed, in addition to the amount due to the University. You may also be liable for collection costs and prosecution under the Colorado Criminal Statutes.

The payment deadline is 5:00 p.m. on Wednesday, September 3, 1997. Postmark dates are not honored.

It is recommended that checks be written on a U.S. bank and in U.S. funds in order to avoid processing delays of up to three weeks. If the delay extends beyond the tuition due date, late and service charges may be assessed.

Note: All checks containing restrictive endorsements are null and void and nonbinding on the University.

If you must send payments via express mail, send them to the Bursar's Office, Regent, Room 175, Boulder, CO 80309-0041.

If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time.

The Bursar's Office hours from August 22 to September 5 are Monday through Friday, 8:30 a.m. to 5:00 p.m., Wednesday, September 3 until 6:00 p.m. Refer to information included with your schedule/bill for extended hours of service.

The Bursar's Office offers personal assistance to Spanish-speaking students and students with a disability. If you need assistance, stop by the Bursar's Office, Regent, Room 150 or call (303) 492-5381, or if deaf or hard of hearing, call 492-3528 (TTY).

Tuition Payment Option: Deferred Tuition

By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you are allowed to pay one-half of the amount due on **September 3**. The minimum balance due, indicated on the reverse side of your bill, is reduced automatically by any credits (financial aid, insurance, RA/TA tuition waivers, and scholarships) applied after your bill is produced. If there are changes, you can access your current bill information on PLUS at <http://www.colorado.edu/plus>, or call CU Connect at (303) 938-8110, or call (303) 492-5091 for your current balance.

On **October 8**, you must pay the balance of your bill and a one-percent finance charge and any charges added to your bill after your bill is produced. A second bill reflecting this balance is mailed to your local mailing address the second week of September. Make sure your address is current.

If the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the student billing windows in Regent from August 22 to September 3.

Failure to Pay in Full by the Deadline

A **financial stop** will be placed on your record if you fail to pay your full tuition and fee bill by the published deadline and will prevent you from:

- registering for future terms
- participating in drop/add
- receiving an academic transcript
- receiving a diploma

A **late-payment charge, in addition to a service charge** on the unpaid balance (one percent per month), is assessed according to the following schedule:

Balance Due	Late Charge
\$99.99 or less	\$ 5
100-299.99	\$10
300-499.99	\$20
500-699.99	\$30
700-899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management department for collection, where additional collection charges may be assessed.

Colorado law requires the University to place all delinquent accounts with the state's Central Collection Services Office (CCS). If your account is referred to CCS, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

Direct Lending

All Federal Direct Stafford/Ford and PLUS loan proceeds are applied directly to your tuition and fee bill. If your financial aid pays your bill in full, and there is money remaining, you are entitled to a refund (see below).

Getting Your Refund

If your tuition account reflects a credit balance, you are entitled to a refund. You can receive your refund either by:

- **Direct Deposit** - If you are currently enrolled for direct deposit, or sign up by August 6, and have a credit balance on your tuition account as of August 18, your fall 1997 refund will be deposited into your bank account on August 22. Throughout the semester, whenever your tuition account reflects a credit balance, your refund will be deposited to your bank account 48 hours after a credit balance is on your tuition and fee account.

For more information, or to sign up for this service, please call (303) 492-5381 or (303) 492-3528 (TTY), or stop by and fill out an application form.

- **Refund Checks** - If you do not sign up for direct deposit, and your tuition account reflects a credit balance as of August 18, a refund check will be mailed to your local mailing address on August 21. This refund **cannot** be picked up.

If your tuition account reflects a credit balance after August 18, a refund check is available at the cashiers window in Regent beginning August 22. You must have your photo ID with you. Checks not picked up will be mailed to your local mailing address on a monthly basis throughout the semester.

Tuition and Fee Information on the WWW

You may also access up-to-date tuition and fee rates via the World Wide Web at <http://www-bursar.colorado.edu>. If you have any questions regarding tuition information on PLUS, call the Bursar's Office at (303) 492-5381. If deaf or hard of hearing, call (303) 492-3528 (TTY). The Bursar's Office can also be reached by e-mail at bursars@spot.colorado.edu.

Financial Aid

If you meet all of the qualifications to receive financial aid funds, your scholarship, grant, or loan proceeds are automatically applied to your bill.

All Federal Direct Student Loans and Federal Perkins Loans are credited to your University bill, provided you meet all the eligibility criteria to receive your financial aid and you returned promissory notes.

Short-Term Loans

Short-term loans up to \$500 are available to students during periods of enrollment and between fall and spring semesters. You must be at least eighteen years of age and enrolled at least half-time on the Boulder campus to qualify (SAVE and Continuing Education students are not eligible), and you must present your photo ID. All loans must be backed by financial aid or have a co-signer.

Veterans' Benefits

If you are entitled to veterans' benefits, write Veterans' Services, Office of Financial Aid, Campus Box 106, Boulder, CO 80309-0106, or call (303) 492-7322 for further information.

Withdrawing and Financial Aid

The University of Colorado at Boulder refund/repayment policy is based on requirements stated in federal regulations (34 CFR 668.22). A refund or repayment may result if you withdraw from school. This refund does not mean giving money back to you; it means paying financial aid funds back to financial aid accounts if financial aid was used to pay any portion of your bill (direct loans, Federal Pell Grant, etc.).

The withdrawal policy regarding tuition and fees are found on page 31, and in the CU-Boulder Catalog. Financial aid funds will be used to pay all institutional charges. If you did not receive sufficient financial aid to cover the charges and repay the financial aid accounts, you will receive a bill.

There is an exception to the above for a first-time student. If you are a first-time student and you withdraw before 60 percent of the semester has passed, the financial aid office must calculate the "portion that remains" of the semester and assess the amount of financial aid to be repaid to the funds appropriately.

In the case of special circumstances that make it impractical for you to complete the semester, the Bursar's Office will review the information you give and make a settlement that is reasonable and fair to both you and the University.

Refunds

If you received financial aid other than work-study, and the calculation results in a refund, we refund financial aid accounts in the following order: Federal Direct Stafford/Ford Loan, unsubsidized; Federal Direct Stafford/Ford Loan, subsidized; Federal Direct PLUS loan; Federal Pell Grant Program; Federal SEOG Program; Colorado Student Incentive Grant; Other Title IV programs; Institutional Aid; Colorado Athletic Scholarship; Graduate Need Grant; Colorado Graduate Fellowship; Undergraduate Merit; Colorado Extended Studies; Colorado Student Grant; private sources; student.

The amount refunded to any program cannot be greater than the amount awarded from that fund. Refunds are rounded upward to the nearest dollar. If a refund is made to a loan program, you or your parent will receive simultaneous notice of the refund. If you petition the Bursar's Office for a different rebate period, we will recalculate the refund to the financial aid accounts if your petition is granted. Examples of refund calculations are available upon request from the Office of Financial Aid.

Repayment

The following repayment policy is applied if you received financial aid for educational costs other than tuition and fees and you withdraw. Federal Direct Loans and work-study awards are excluded from this calculation.

To determine if you received an overpayment, we must establish that the *funds you received* (the refund check after your aid paid your bill) for living expenses, travel, etc. (these are non-direct education costs) exceeded the costs for the living expenses, etc., for the time you were enrolled. See the Office of Financial Aid or the fact sheet titled *Withdrawing and Financial Aid* for the percentages used.

If any portion of the refund you received cannot be attributed to the cost of books and supplies, room and board, transportation, and medical expenses, then that portion must be returned to the fund from which it was received. If you received aid from more than one fund, then any overpayment will be returned to the funds in the same order as the refund order stated previously, excluding the Federal Direct Loan programs.

The Office of Financial Aid will return the amount calculated to the aid funds and then a bill will be created for you by the Bursar's Office. In the event that there is a balance due, your bill payments will be handled by the Bursar's Office.

General Information

Many of the questions you may have about registration procedures are answered in this section.

Addresses

The following addresses on your student record must be kept current:

- **Mailing address** - your address during the fall and spring semesters. Your invitation to register, outstanding tuition and fee bills, refund checks, and financial aid information are mailed to you at this address from late August through mid-May. (**Exception:** Your permanent address is used during the winter semester break.)
- **Permanent address** - considered your "home-base" address. It can be your parents' address, a Boulder address, or the address of someone who knows how to reach you. Schedule/bills are mailed to this address before the semester begins. This address is used for mailings during the summer months and during the winter semester break.

Other offices, such as the library, housing, payroll, and Wardenburg, have separate address systems and changes must be made there as well.

You can look up any of your addresses on the Personal Look-Up Services (PLUS) at <http://www.colorado.edu/plus> (see page 29) and, if needed, send us your address changes via PLUS. Or you can fill out a change-of-address form at the Office of the Registrar in Regent 105,

in the Office of Financial Aid in Environmental Design, room 2, or by calling (303) 492-6970. You can also update your address by sending an e-mail to change.address@colorado.edu. Be sure to indicate which address type you're updating.

Note: The address that appears on your student record (and PLUS) also appears on the CU-Boulder Campus Directory on CU-Boulder's homepage on the web. (**Exception:** If you work on campus, the address that appears on your PAF is the address that appears on the directory on the web.) When you make a change to your addresses, these are normally updated on your student record within 24 hours. These same changes are then normally updated on PLUS nightly during the registration and drop/add periods and weekly during the rest of the year. Addresses on the CU-Boulder Campus Directory on the web are updated weekly.

Advising

Check your invitation to register for advising requirements. If you need advising and are an:

- Arts and sciences or engineering student - Call your faculty advisor, your major department, or your dean's office for advising.
- A student in any other college or school - Call your dean's office.
- An open option student or student thinking of changing your major - Contact the Advising Resource Center at (492-8811).

The Office of Undergraduate Academic Affairs (Willard 226; 492-4433) can help with general advising issues.

Campus ID Cards

The Boulder campus plans for all students to begin using a new campus ID card beginning in the fall of 1997. Look for information about how to get your new ID card and its many uses in mailings sent to you and in campus newspapers later this spring semester.

The new ID card will include a magnetic stripe which will eliminate the need for you to receive a validation sticker beginning in the fall semester. Verification of fee payment and enrollment will be done electronically via magnetic swipe, so it is important that you keep your ID card with you at all times and use it when entering the Recreation Center, checking out books at Norlin Library, etc.

The first issuance of the new card will be free. If you lose your campus ID card you can have a new ID card made in the ID Services Office, UMC 25, between 9:00 a.m. and 5:00 p.m. (new hours will begin August 18, 1997 - until that time, office hours are 11:00 a.m. - 4:00 p.m.). The cost of a replacement ID is \$15.

Credit-Hour Limits and Course-Load Definitions

During the registration period, undergraduate students can register for a maximum of 19 credit hours (15 credit hours for graduate students and 16 credit hours for law students), *including wait-listed courses*.

During the final drop/add period, undergraduates are allowed to register for up to 21 credit hours, *including wait-listed courses*. **Note:** A tuition surcharge is assessed for every credit hour added over 18.

For undergraduate students, 12 credit hours is considered a full-time load for financial aid and for enrollment-verification purposes. (Graduate students qualify for full-time status for enrollment verification purposes if they are enrolled for 5 or more hours or any number of thesis hours. Law students need 10 or more hours for full-time status. Check with the Office of Financial Aid for their full- and part-time status definitions for graduate students.)

Credit and Grading Options

You can select or change the following credit and grading options through 5:00 p.m. on September 5. (See page 10 for CU Connect codes if changing by phone.)

- **No Credit.** To register for a course on a no-credit basis, call CU Connect and select the no-credit option. You still pay full tuition for a no-credit course, but you do not receive a grade. An *NC* will appear on your transcript in place of a grade. Check with your college or school for policies on no-credit status and how it may be used. **Note:** No-credit courses do not count toward full-time enrollment for financial aid purposes.

- **Pass/Fail.** Check with your college or school for the restrictions on the number and types of courses that can be taken pass/fail. To register for a course pass/fail, call CU Connect and select the pass/fail option.

Once you have signed up for a course on a pass/fail basis, it is *not* noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You are assigned a grade for the course. A grade of *D-* or above is converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted.

Note: If you attempt to change the status of a course from or to P/F or NC by telephone, you will not be able to re-enroll in the course if it is closed or a wait list exists for the course. You can make this change without jeopardizing your enrollment in the course at the registrar's office in Regent 105 (through September 5), at the Coors Events/Conference Center (August 22 and 24-26), or in Regent 1B60 (August 27-29 and September 2-5), by filling out a credit-option form.

- **Variable Credit.** All independent study courses and some regular courses are offered on a variable-credit basis (that is, they have a range of minimum and maximum credits). When you call CU Connect to register, enter the number of credit hours you want to receive for the course when prompted. The number of credits can be changed throughout the registration and drop/add periods through 5:00 p.m., Friday, September 5 (the drop/add deadline).

E-Mail the Registrar

Have you ever had an academic records-related or registration-related question but didn't know whom to ask? Or have you ever had a comment you wanted to share with us about one of our programs or processes?

E-mail the registrar's office at registrar@colorado.edu to get some answers or make your comments. Your e-mails will be read by a staff member in the registrar's office and then forwarded to the appropriate person for a response.

Grade Information

To obtain information about grades at the end of the semester, you can do the following:

After entering the Boulder-campus code ("1") and then the main campus code ("2"), enter a "2" to access the grading application. You'll then need to enter the term code for the semester you want to access, followed by your student ID number and your PIN. **Note:** To access **spring semester 1997** grades (available beginning May 22), use the **term code 971**. For **fall semester 1997** grades (available beginning December 26), use the **term code 977**.

Graduation

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures.

Graduating students with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the University.

World Wide Web Sites

The UCB web site provides important information regarding registration, a listing of available courses, the final exam schedule, course descriptions, tuition, and more.

More than 60 terminals are located in buildings and residence halls throughout the campus. Computing labs in Business, Duane Physics, Economics, Education, Engineering, Environmental Design, Fleming Law, Hellem, Keichum, Macky, Muenzinger, and Norlin also have web access.

AVAILABLE COURSES ON THE WORLD WIDE WEB

At any time during the registration and drop/add periods, you can determine which courses are available by accessing the UCB web site from any computer terminal that has web access. Open courses are listed and entries are updated regularly.

Access the main UCB web pages at <http://www.colorado.edu>. Choose *Academic Life* and then choose *Course Availability Listings*.

Available courses offered for fall, all available arts and sciences core courses, and all available courses in order of time offered may be displayed.

DEGREE AUDITS ON THE WORLD WIDE WEB

Degree audits for students in journalism and architecture and planning are available on the World Wide Web. The address is <http://www.colorado.edu/plus>. These students can also order degree audits from their dean's office.

Arts and sciences core audits are also available on the World Wide Web. Arts and sciences students can also order core audits from their dean's office and major audits from their major department.

Degree audits for freshmen and sophomore students in the College of Business are also available on the World Wide Web or can be ordered from their dean's office.

PLUS: VIEWING YOUR RECORDS ON-LINE

You can view the following information on PLUS (Personal Look Up Services) on the World Wide Web by using your University student number and Personal Identification Number (PIN):

- your grades for the two most recent terms
- your degree program information (primary and secondary college, major, and class standing)
- your registration status (advising requirements and registration time-assignment)
- your class schedule for the current term, the two most recent terms, and all future terms for which you have registered
- your current semester billing and financial aid information
- your current addresses
- degree audit (for certain colleges)

Go to <http://www.colorado.edu> (the UCB home page) and choose *Student Life (PLUS)* or go directly to <http://www.colorado.edu/plus/>.

Note: The information on PLUS is normally updated nightly during registration and drop/add periods, and weekly during the rest of the year.

REGISTRAR'S HOME PAGE

The Office of the Registrar now has most of the information that's included in this registration handbook on the World Wide Web. It also includes academic/registration calendars for the next few semesters, final exam schedules, and more. You can access this information via the registrar's home page at <http://registrar.colorado.edu>.

Other Registration Programs

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these registrations, call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

Concurrent Registration

If you plan to take at least one course at CU-Boulder in the fall and cannot register for all courses required for your degree program, you may be able to register concurrently on another CU campus. The course(s) must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been

reached on the other campus. Graduate students must have their advisor's approval. If all these conditions are met, you may register on another CU campus for up to two courses or 6 credit hours, whichever is greater.

You cannot register concurrently until the final drop/add period has begun on the other campus. Boulder students pay Boulder tuition rates for all courses.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning July 30. For information, call **(303) 492-8494**.

Note to Graduate Students: Check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Course Reservation Program

The Course Reservation Program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a course and enroll in that course for the next semester before the next registration period begins. All undergraduate courses offered at CU-Boulder that utilize wait lists, except for controlled enrollment courses, are included in the Course Reservation Program.

You are eligible to participate in the Course Reservation Program for *spring 1998* if your name is on a wait list for a course as of midnight on September 2, and you don't get enrolled in the course. **Note:** This applies only to course wait lists on the Student Information System (SIS), not wait lists that may be kept manually by a department.

If you are on a course wait list as of midnight on September 2, you should plan to come into the registrar's office, Regent 105, 9:00 a.m. to 5:00 p.m., between **October 27 and October 31** to register for the course for spring 1998. Registrations will *not* be honored through the Course Reservation Program after October 31. In addition, all restrictions are honored, and you must clear up any "stops" before registering. You will register for all other spring 1998 courses during your regular registration time assignment.

Faculty and Staff Registration

All permanent faculty and staff members at CU-Boulder may take 1 to 6 free credit hours each year. You must take course work outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to your employing department. For more information, call **(303) 492-4369** or **492-3563**.

High School Nondegree Registration

The high school nondegree program is coordinated by the Division of Continuing Education. Registration is held through the SAVE program. For information on availability and eligibility for registration using CU Connect, please call **(303) 492-5148**.

Intercampus Registration

If you want to take course work on another University of Colorado campus, apply for admission to that campus and follow its registration procedures. Check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

Late Registration

To be guaranteed enrollment for fall 1997, you must complete registration by **midnight on August 15**. (**Exception:** Incoming freshmen and transfer students attending the final arts and sciences and business orientation sessions must complete registration by 6:00 p.m. on August 21.) If you do not register by this deadline (this includes graduate students), you are subject to late registration, a lower registration priority, and a \$50 late fee is applied.

If you are a continuing student, call **(303) 492-4822** on August 18 to see if you are eligible for late registration. If you are a new or readmitted student, go to Admissions Operations in Regent 1B65 (**492-2451**) to check for eligibility. Students who are eligible for late registration must go to the registrar's office in Regent 105 (August 18-21), to the Coors Events/Conference Center (August 22 and 24-26), or to Regent 1B60 (August 27 - September 5) to be set up for late registration.

Parking Permits and Bicycle Registration

To buy a parking permit, you must bring a photo ID and a valid state motor-vehicle registration form. The cost of a parking permit for autos is \$72, \$96, or \$120; it is \$24 for motorcycles (prices subject to change). You can pay with cash, check, or charge it to your tuition and fee bill.

Parking permit sales take place at the Coors Events/Conference Center, Concourse Level, according to the following schedule (subject to change):

Senior Citizens Auditors Program Registration

All Colorado residents age 55 and older can register in this tuition-free, noncredit program to audit classes on a space-available basis. This program is sponsored by the CU-Boulder Alumni Association. Registration for senior auditors is at Koenig Alumni Center, September 2, 9:00 a.m. to 3:00 p.m., and September 3, 9:00 a.m. to noon. Call (303) 492-8484 for information.

Space-Available (SAVE) Registration

Nondegree students may take Boulder campus courses on a space-available basis. Register at the Coors Events/Conference Center, August 26, 8:30 a.m. to 4:00 p.m. After August 26, registration will be at the Continuing Education Office (1221 University). For information on availability and eligibility for registration using CU Connect, please call (303) 492-5148. Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment.

Note: Out-of-state students who want to register for 3 credit hours or less through SAVE are assessed a rate less than the regular out-of-state tuition rate. Degree students must obtain approval from their dean.

Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave the University without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Readmission to the University is guaranteed when you return, providing you meet registration and deposit deadlines. A nonrefundable \$40 application fee is charged. The TOP application deadline for fall semester is October 8. More information is available from the Office of the Registrar, Regent 105, (303) 492-8673.

Withdrawal Procedures

If you need to withdraw from fall semester 1997 *before* September 10, fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, Boulder, CO 80309-0007. You need not drop your courses; this is done for you.

If you withdraw *after* September 10, you must complete a withdrawal interview to discuss procedures for withdrawing.

If you do not officially withdraw from the University by contacting the registrar's office, failing grades are recorded for all of your courses. **Remember:** Deadlines and rules for withdrawing may vary within each college and school. Check with your dean's office concerning withdrawal rules.

Note: If you withdraw from CU-Boulder but plan to return to the Boulder main campus in the future, you must either go on the Time Out Program (see above) or reapply through the Office of Admissions.

Tuition assessments for students with financial aid may differ from those listed on this page. Please check with the Bursar's Office at (303) 492-5381. If deaf or hard of hearing, call (303) 492-3528 (TTY).

Withdrawing students (including students applying for the Time Out Program) with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the University. Failure to do so will result in a stop on your record. This stop will prevent you from receiving a diploma or an academic transcript of work at the University and from registering for any future terms. In order to complete a loan exit interview, contact the University Student Loans department in the Bursar's Office at (303) 492-5571. If deaf or hard of hearing, call (303) 492-3528 (TTY).

About Course Listings

Understanding Course Numbers

Courses are numbered according to the following guidelines:

1000-2999	Lower-division courses
3000-4999	Upper-division courses
5000-5999	Courses intended for graduate students and qualified undergraduates
6000-8999	Courses open to graduate students only

Enrollment in courses with a 740-799, 800-, or 900-level section number is controlled by each department. The department staff either gives you the five-digit course call number so you can register for the course via CU Connect, enrolls you in the course directly on the computer, or gives

you a special action form to take to a central drop/add site (during the final drop/add period *only*) or to the registrar's office.

Understanding Course Listings

The headers at the top of each column of the course listings include:

Core Diamonds—A diamond (♦) appears to the left of courses that fulfill a College of Arts and Sciences core-curriculum requirement. (Refer to the College of Business Degree Requirements brochure for information on courses that fulfill the College of Business core-curriculum requirements.)

Course Title—Often abbreviated; refer to the *University of Colorado at Boulder Catalog* for the complete title and course description.

Section Number—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R, L, P, or S precedes the section number, it indicates that the section is a recitation (R), a laboratory (L), a practicum (P) or a studio (S), which must be taken in addition to the lecture. Some courses may have three: lecture, lab, and recitation.

Call Number—The five-digit number, specific to a particular term, that is used for requesting a specific section of a course via CU Connect.

Time/Days—Meeting time and days of the class (M—Monday; T—Tuesday; W—Wednesday; R—Thursday; F—Friday; S—Saturday; and U—Sunday).

Building/Room—The building name and room number where the class meets; this is subject to change. (See the campus map for the building abbreviations.)

Maximum Enrollment—The maximum number of students allowed to enroll in the course.

When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed.

Remember: Some courses may not be available to you due to college or school restrictions or class size limitations. In this case, CU Connect will inform you with an appropriate message.

Department Headings - These will include the phone number and the department location.

☐ - **Departments with the computer terminal symbol have terminals available for drop/add**, August 22 (Fri.) and August 25 (Mon.) through September 5 (Fri.). You may go to any of these departments to drop or add courses. (See pages 14-15 for times and for more information about drop/add sites.)

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 108). You may *not* use courses taken to complete a MAPS deficiency to fulfill any area of the core curriculum, with the exception of foreign language.

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the *University of Colorado Catalog*.

Selected majors are exempt from portions of the core curriculum (see sections 4, 5, and 6 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one requirement.

Skills Acquisition

1. Foreign Language

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you are required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

Minimum Academic Preparation Standards

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

English	4 high school years (including 2 in composition)
Mathematics	3 high school years (2 in algebra and 1 in geometry)
Natural Science	3 high school years (including 2 in lab science, one of which must be chemistry or physics)
Social Science	3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography.)

Foreign Language completion of a third-year-level course (level III) in a high school foreign language sequence

Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.

- 5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
- 6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.

Note: For additional information, consult the Arts and Sciences dean's office.
