

Schedule of Courses

Spring 1989

University of Colorado at Boulder

CyConnect
B O U L D E R

Spring 1989 Academic Calendar

November 14–December 14 (Monday–Wednesday)
Spring 1989 telephone course request period for continuing Boulder Campus degree students enrolled during Fall 1988.

December 9 (Friday)
Spring 1989 registration deposit due (\$100 in-state or \$300 out-of-state) for continuing students, 4:00 p.m.

December 19–January 3 (Monday–Tuesday)
Spring 1989 telephone course request period for eligible new and readmitted students.

January 4–5 (Wednesday–Thursday)
Spring 1989 on-campus course request period for new freshman, new transfer, and readmitted students who have not previously requested courses, UMC Ballroom. Wednesday, 8:30 a.m.–6:30 p.m.; Thursday, 8:30 a.m.–2:00 p.m.

Mandatory Arts and Sciences new freshman and transfer student orientation and course request.

January 9 (Monday)
Schedule/Bill Distribution, five locations, 8:30 a.m.–4:30 p.m. See page 5.

January 10 (Tuesday)
Drop/Add period begins. No classes. Faculty and staff registration begins.

January 11 (Wednesday)
Classes begin, 8:00 a.m. Drop/Add continues.

January 12–13 Tentative (Thursday–Friday)
Registration for Space Available Voluntary Education (SAVE) program, 9:00 a.m.–4:00 p.m. Location to be determined.

January 16 (Monday)
Martin Luther King, Jr. Holiday. No classes.

January 17 (Tuesday)
Non-Business students may begin adding College of Business and Administration courses.

January 17–18 (Tuesday–Wednesday)
Walk-in registration for senior auditors, Koenig Alumni Center. Tuesday, 9:00 a.m.–3:00 p.m.; Wednesday, 9:00 a.m.–noon.

January 20 (Friday)
Tuition and fees due (including room and board, etc.) by 4:00 p.m. No grace period.

January 27 (Friday)
Last day to add a course, including Independent Study and Thesis. This deadline will be in effect unless enrollment levels are reached before this date.

Last day to drop a course without being assessed the tuition and fees for that course and without a W showing on your transcript. All transactions must be completed by 4:00 p.m. to be computed for any tuition and fee adjustment. After this date, you must be passing your course to receive approval to drop, and you must have the signature of your instructor.

Last day to withdraw from school and be assessed only your registration or confirmation deposit (\$100 in-state or \$300 out-of-state). Refer to page 9.

Last day to change Pass/Fail and No Credit status on courses.

February 10 (Friday)
Last day to withdraw from school and be assessed amount of registration or confirmation deposit (\$100 in-state or \$300

out-of-state) or 40 percent of full tuition and fees, whichever is greater.

February 21 (Tuesday)
Last day to drop a class without petitioning your dean.

February 24 (Friday)
Last day to withdraw from school and be assessed amount of registration or confirmation deposit (\$100 in-state or \$300 out-of-state) or 60 percent of full tuition and fees, whichever is greater. No refund thereafter.

March 3 (Friday)
Last day to pay any unpaid balance, including approved deferred tuition, by 4:00 p.m. No grace period.

Mid-March
Summer 1989 telephone course request period for continuing Boulder Campus degree students enrolled during Spring 1989.

Late March
Summer 1989 telephone course request period for eligible new and readmitted students.

March 27–31 (Monday–Friday)
Spring Break.

April 3 (Monday)
Classes resume.

April 3–28 (Monday–Friday)
Fall 1989 telephone course request period for continuing Boulder Campus degree students enrolled during Spring Semester 1989.

May 1 (Monday)
Last day of classes.

May 2 (Tuesday)
Reading day.

May 3–10 (Wednesday–Wednesday)
Final examination period—six days.

May 12 (Friday)
Commencement, 9:30 a.m., in the Events/Conference Center. Congratulations!

Mid-June
Fall 1989 telephone course request period begins for eligible new students.

July 14 (Friday)
Fall 1989 registration deposit due for continuing Boulder Campus degree students (\$100 in-state or \$300 out-of-state), 4:00 p.m. Tentative date; subject to change.

Affirmative Action

The University of Colorado at Boulder has a strong institutional commitment to the principle of diversity. In that spirit, we are particularly interested in receiving applications from a broad spectrum of people, including women, members of ethnic minorities, and disabled individuals.

For further information on equal opportunity and affirmative action, contact the Manager of Affirmative Action and Services, Campus Box 475, 1511 University Avenue, University of Colorado at Boulder, Boulder, Colorado 80309-0475, or call (303) 492-6706.

Class Request Worksheets 76

This *Schedule of Courses* contains an up-to-date academic calendar, information on the telephone course request process, course listings for Spring 1989, and policies and services to help you through the semester. Due to implementation of the Student Information System, many registration dates remain tentative. Although this *Schedule* was prepared on the basis of the best information available at the time, all information is subject to change.

The requirements, policies, and course descriptions of each college and school at Boulder are printed in the *1988-89 University of Colorado at Boulder Catalog*. You are responsible for knowing and following those policies and for familiarizing yourself with the course listings. Please refer to the *Catalog* edition corresponding to your year of entry into CU-Boulder for graduation requirements. When you declare or change your major, however, be sure to check with your new dean's office regarding applicable requirements.

Because of the lead time required to publish both the *Schedule* and the *Catalog*, changes may occur in University, college, or school policies. It is your responsibility to be aware of such changes by consulting departmental advisors, checking departmental bulletin boards, and reading your instructions carefully. The Telephone Course Request Instructions, which are published each semester, contain the most current information available.

How Registration Works at CU-Boulder

Welcome to telephone registration via CU Connect. CU Connect is the registration component of the new Student Information System (SIS), which is designed to computerize admission, registration, academic records, financial aid, and bursar activities across campus. You will be able to call CU Connect when you request your classes, change your requests, or verify your schedule. The system will hold your requests until everyone has had a chance to request classes, and then it will run through a series of programs to place students into classes (sectioning). After the schedules are distributed and the semester has begun, you will again use CU Connect to make final corrections to your class schedule.

As you can see, registration under SIS is not a one-step process but extends over a period of time. The major steps are outlined below.

Receiving Your Course Request Materials

You will receive a course request packet in the mail that will include:

- Your Invitation to Register
- Telephone Course Request Instructions
- Telephone Course Request Form
- CU Connect Reference Card
- Registration Deposit Form and Envelope
- Optional Fee Form
- Return Envelope

Requesting Courses Via CU Connect

With the above materials, you will be able to call CU Connect during your assigned time period and request your classes. You'll need to use a Touch-tone phone, and you may call either from off campus or on campus. Although you won't be permitted to call before your assigned time period, you may call at that time or any time thereafter. The course request period lasts for about one month; there is plenty of time to make your call and request your classes for next spring.

All of the detailed instructions you will need are included in your course request packet.

Stops

When you call CU Connect, you may get a message that you have a stop on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters.

Most often, you will know about a stop before calling CU Connect, because your Invitation to Register will display a printed message about it. Stops can, however, occur at any time in the registration process, so you should make it a point to know the status of your student record.

Advising

Another message you might get from CU Connect is one regarding advising. Some colleges and schools require that students speak to an advisor before requesting courses. If you get such a message, and you are an Arts and Sciences student, call your faculty advisor or your major department to make arrangements for advising. If you are a student in another college or school and you receive an advising message, you should call your dean's office. After you have been advised, the coding on the computer will be adjusted and you may again call CU Connect to request your courses.

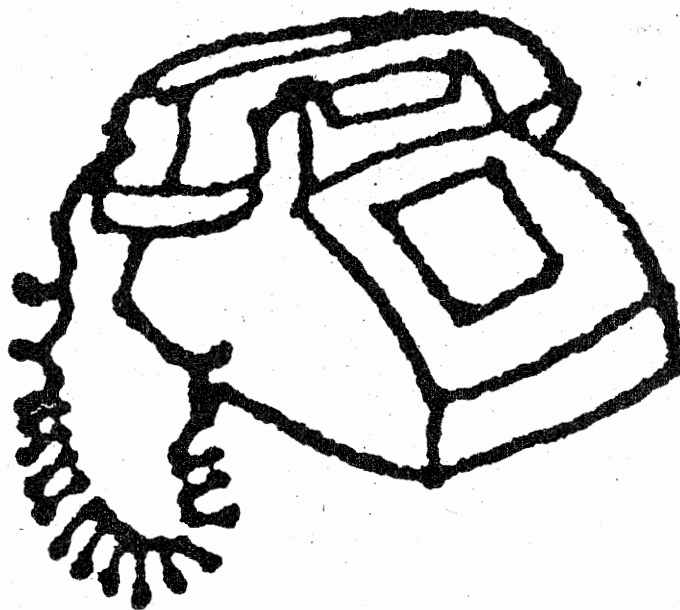

Orientation

Some colleges and schools have a mandatory orientation session for new students. If you are involved in such a session, you will request your courses via CU Connect at orientation.

Fine Tuning Your Course Requests

Once you have made your requests by telephone, they are stored in the computer. This allows you to make changes to your requests during the request period noted on your Invitation to Register. The time allotted for making changes varies; before the spring semester there is less time than before the fall semester.

Make use of this course request period wisely: by calling CU Connect, listing your requests, and then changing those requests or adding alternate selections, you may be able to avoid many of the tangles of Drop/Add.

Sectioning of Course Requests

Our SIS computer then takes the requests of all students and checks to make sure that registration deposits have been paid and that there are no financial or academic stops. Then, through a complex process, students are placed in courses. There are many determinations the computer must make before placing students, such as space availability and student eligibility. Course restrictions are set by the colleges, schools, and departments, and are used to control class size. Major, class standing, and prerequisites are examples of restrictions.

Receiving Your Schedule/Bill

Registration is not considered complete and schedules are not official until all course information has been transferred to your schedule/bill, which is then distributed at the beginning of the semester (locations noted on page 5).

Dropping and Adding Courses

The Drop/Add period runs for the first three weeks of the semester (the dates are listed in the academic calendar on the inside front cover). This is the time when you can make necessary changes to your schedule, but it should not be used to completely redo your schedule. If you carefully select your courses and pay close attention to prerequisites and potential time conflicts, you won't need to extensively drop or add classes.

The locations and methods for Drop/Add will be outlined in the *Spring Registration Guide* given out to students at Schedule/Bill Distribution. The *Spring Registration Guide* contains all of the information you'll need to have a successful Drop/Add.

A successful registration requires the involvement and attention of each student to such matters as clearing stops, paying deposits, making careful course selections, and reading all material carefully.

Here are some other tips to make sure your registration goes smoothly.

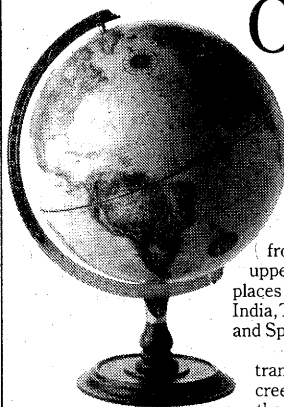

Addresses

Please keep your mailing address updated at all times. An incorrect mailing address, in particular, will keep important course request materials and information from reaching you. You may update your address at the Office of Registrations in Regent Administrative Center during normal hours of operation or you may call (303) 492-6581. There are other addresses on your student record you may want to keep current, such as a permanent address or a summer address. You can specify which address you are updating when you fill out the change of address form or when you call.

CU Connect List Function

CU Connect will list your course requests over the telephone during the request portion of registration. After Schedule/Bill Distribution and throughout the semester, you can call in to verify your class schedule. You may also use this function for checking on your enrollment in waitlisted courses you might have requested (see page 6).

The World Is Still The Greatest Classroom Of All.

Applications are now being accepted for the University of Pittsburgh-sponsored Semester at Sea.

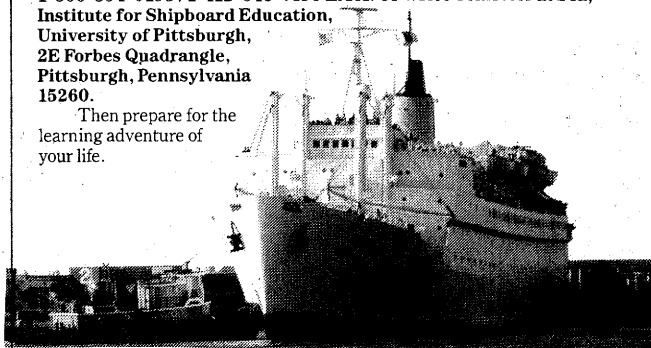

Each fall or spring 100-day odyssey aboard the American-built S.S. Universe literally offers you the world.

You can earn 12-15 transferable units from your choice of more than 50 lower and upper division courses, while calling upon places as culturally diverse as Japan, Hong Kong, India, Turkey, the Soviet Union, Yugoslavia and Spain.

It is a learning adventure designed to transform students of every color, race and creed into true citizens and scholars of the world.

For full information, including a catalog and application, call 1-800-854-0195 / 1-412-648-7490 in PA. Or write Semester at Sea, Institute for Shipboard Education, University of Pittsburgh, 2E Forbes Quadrangle, Pittsburgh, Pennsylvania 15260.

Then prepare for the learning adventure of your life.

What You Should Know Before Requesting Courses

Understanding Course Numbers

In connection with the Student Information System, the University has adopted a four-digit course numbering system. All three-digit course numbers have been translated to corresponding four-digit numbers. Courses are now numbered according to the following guidelines:

1000-2999	Lower-division courses generally appropriate for freshmen and sophomores
3000-4999	Upper-division courses primarily for juniors and seniors
5000-5999	Primarily intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual professors)
6000-8999	Open to graduate students only; see individual department offices for special provisions

For further information on the four-digit system and a course translation table of old numbers and their four-digit equivalents, see the *University of Colorado at Boulder Catalog*.

Understanding Course Listings

Please note the following abbreviations at the top of each page of courses:

Call No.	The five-digit number used for requesting a certain class or a specific section of a course via CU Connect
Subj.	The department name abbreviated to four letters
Course No./ Credits	The course number and credit hours for the class
Course Title	This is often abbreviated. Refer to the <i>Catalog</i> for the complete title and course description.
Sec. No.	The section number; it means the same as the lecture number. When an L precedes the number (L004), it indicates a laboratory (lab) and is taken along with the lecture. When an R precedes the number (R010), it indicates a recitation (rec) and is also taken along with the lecture. Some classes have all three: lecture, lab, and recitation.
Time/Days	Meeting time and days of the class (T is Tuesday and R is Thursday)
Bldg./ Rm.	The building name and room number (see the list on page 13 for building abbreviations)
Instructor	The instructor's name, when available
Max. Enroll.	The approximate class size

Course notes (including prerequisites and/or corequisites) are included when needed at the very beginning of a course listing, just under the first line.

When selecting your courses, remember that some may not be available due to college or school restrictions or class size limitations.

Changing Your Major

If you would like to change your major or declare a major, simply go to the appropriate department and inquire about their procedures. Your change will be entered on-line into the system as soon as it has been approved by the department. If your change of major involves moving into another college or school, it is considered an Intrauniversity Transfer (IUT). Please see that section in this *Schedule* or in the *Catalog*.

Credit/No Credit

You can select classes on a No Credit basis (an NC will appear on your transcript in place of a grade) during the course request period. Please check with your college or school or the *Catalog* for policies on Credit/No Credit and how it may be used. The Credit/No Credit designation can be changed any time up through the Drop/Add period. However, tuition is the same whether or not credit is received in a course.

Credit Hour Limits

There are limits on the number of credit hours the computer will allow you to be sectioned into. These limits do not necessarily indicate the ideal or recommended credit hour load and can be changed once the Drop/Add period begins. You should consult your Telephone Course Request Instructions for details. Your dean's office can fill you in on the maximum number of credit hours that may apply to your degree.

Independent Study/Thesis Approval and Controlled Enrollment

If you are interested in taking a course with an 800- or 900-level section number, you'll need to contact the appropriate department before you call CU Connect. Please see your Telephone Course Request Instructions for further information.

Intrauniversity Transfer

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies will vary among the different colleges and schools.

If you are waiting to hear about the status of your IUT application, please check with your new college or school to find out how you should proceed with your course requests.

Pass/Fail

You will be able to select classes on a Pass/Fail basis throughout the course request and drop/add periods. Please check with your college or school; there are restrictions on the number of courses and the types of courses that can be taken Pass/Fail.

Once you've signed up for a course Pass/Fail, your name (but not the Pass/Fail designation) will appear on the class roster and the professor will assign you a grade for the class. A grade of D- or above is automatically converted by the Office of Academic Records to a P; an F converts to an F. Only the F is calculated as part of your GPA; a grade of P is not counted.

Registration Stops

If you have any University stop on your record (including a financial stop, scholastic stop, dean's stop, or miscellaneous stop), you will not be allowed to request courses until the stop has been cleared. Please check with the office imposing the stop on how to clear it, and get it taken care of so you may request your classes.

Variable Credit

When requesting a variable credit course (one with a range of minimum and maximum credits), you need to decide with your professor how many credits you would like to receive in that course. Simply indicate this when you call CU Connect.

Your combined schedule/bill will be available for pickup on Monday, January 9, between 8:30 a.m. and 4:30 p.m. at the following locations:

College or School	Building
Arts and Sciences	Balch Fieldhouse
Business and Administration	Events/Conference Center
Education	UMC Ballroom
Engineering and Applied Science	Events/Conference Center
Environmental Design	UMC Ballroom
Graduate School, Business Graduate, and MBA (all Graduate Students except Law)	UMC Ballroom
Journalism and Mass Communication	UMC Ballroom
Law	Law School 104
Music	Music Lounge
Pharmacy	UMC Ballroom

Be sure to pick up your schedule/bill on January 9. If a University error has occurred with your schedule, it can best be corrected on that day.

Students who do not pick up their schedule/bill on January 9 may still receive it on January 10 or 11 at the UMC West Ballroom. After these dates, schedule/bills may be picked up at the Office of Registrations in Regent between 8:30 a.m. and 4:30 p.m.

Parking Permits

On Sunday, January 8, from 9:00 a.m. to 3:00 p.m., campus parking permits will be sold to residence hall students at the Events/Conference Center and to Williams Village residents at Darley Commons.

Parking permits for all other students will be sold on January 9 at the Events/Conference Center from 8:00 a.m. to 4:00 p.m. (at the Law School for Law students). On January 10, permits will be sold at the Events/Conference Center from 8:00 a.m. to 2:00 p.m. After January 10, parking permits will be sold at the Parking Management Office (1511 University Avenue), 8:00 a.m. to 4:00 p.m. You'll need to bring your schedule/bill or your Photo ID with you, along with your driver's license and current motor vehicle registration. Permits sell for between \$24 and \$40, depending on location.

Photo IDs

Your validated photo ID is an important identification card to carry with you; it signifies that you are a currently registered student and allows you to use University services. To get an ID made, go to the Stadium, Room 129 (between gates 4 and 5), Monday through Friday between 11:00 a.m. and 4:00 p.m. You'll need to take some other form of picture ID with you. Your initial ID is free; replacement cards cost \$7. (Continuing Education and SAVE students must pay \$7; they do not receive an initial free ID.)

IDs may be validated for Spring Semester 1989 at Schedule/Bill Distribution on January 9 or at the Office of Registrations thereafter.

Job Location and Development Program

The Job Location and Development (JLD) Program provides CU-Boulder students with individualized job counseling and emphasizes locating and developing part-time and seasonal employment opportunities for students while they are enrolled in school.

What We Can Offer You

Job match system that matches job requirements with student qualifications to expedite the placement process.

An On-Call Temporary Employment Service assists students in locating short-term and immediate employment.

Office of Financial Aid
 Student Employment Area
 Environmental Design 2 (Basement)
 University of Colorado at Boulder
 Phone: 492-5091

Dropping and Adding Courses

If you wish to make course selection changes after you receive your schedule/bill, you may do so beginning January 10 via computer. Terminals will be set up throughout the campus during the Drop/Add period, and you may drop or add any course or change sections at one that is convenient for you. The calendar on the inside cover of this *Schedule of Courses* lists important Drop/Add deadlines, and your *Spring 1989 Registration Guide* will provide more detailed information about Drop/Add procedures.

You may call CU Connect during the Drop/Add period to verify your course changes and to maintain an up-to-date schedule. Your CU Connect Reference Card lists the function codes you'll need to use when calling CU Connect.

Administrative Drops

If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the Drop/Add period, you may be administratively dropped from any of them. Please check with the department offering the course for policies concerning administrative drops.

Note on Dropping Courses

Any student who stops attending a course without officially dropping it will receive a grade of F in that course.

Waitlisting

During the Drop/Add period, if you are eligible to take a course but find that it has been closed, you may be able to put your name on a waitlist. Each department determines if waitlists will be offered and what type of waitlists will be used.

The first type of waitlist is set up on a first-come, first-served basis. As a vacancy in the class occurs, the person

at the top of the list is automatically enrolled. The second type of waitlist uses priority coding to determine who gets enrolled in the course as spaces open up. The coding is established by the department, and is usually based on class standing and/or major.

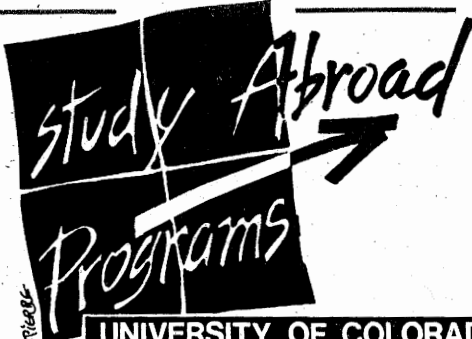

Once you have placed yourself on a waitlist (via CU Connect or terminal), it is your responsibility to call CU Connect daily to find out if you have been enrolled in the class. If you choose not to remain on the waitlist, please drop it as soon as possible.

Your *Spring 1989 Registration Guide* will contain additional information about waitlisting.

Paying Your Bill

Your schedule/bill will reflect the total number of credit hours in which you have been enrolled via CU Connect, as well as tuition, fees, housing, and other charges. It is your responsibility to pay the bill by 4:00 p.m. on January 20 or to arrange to have one-half of it deferred, even if the bill has been misplaced. Other things to keep in mind include:

- After January 27, there will be no tuition adjustment for courses dropped. However, tuition for classes added will be assessed and billed.
- Tuition for a No Credit course is the same as for a course taken for credit.
- Tuition for a 0 credit-hour course is charged at the rate of a 1 credit-hour class.
- All students taking one course of 5 or fewer hours will be assessed a base fee of \$22.95. These students will receive a No Fees sticker for their ID and will not be allowed to use Wardenburg services or the Recreation Center without payment. Doctoral students taking thesis hours only, master's candidates for degree, approved doctoral candidates, and fifth-year pharmacy students will pay only the base fee.
- Mandatory UCSU student fees (\$133.45 per semester) are considered as important as tuition and may only be waived because of extraordinary circumstances, such as a physical absence from campus for the semester, living outside a 50-mile radius of the Boulder/Denver area, or an extreme physical handicap that renders it impossible for a student to use the fee-supported services or facilities. If fees are waived, students must still pay the base fee. Students who wish to petition for a fee reimbursement must do so by 4:00 p.m. on January 20. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. In addition, students covered by the student health insurance cannot have their student fees waived.
- All Boulder Campus students taking 6 or more semester hours or more than one course must be covered by a hospital-medical-surgical insurance plan as a condition of enrollment. If you do not verify separate equivalent coverage or adequate personal financial resources on the insurance waiver form, you will automatically be enrolled in the student group insurance plan at a cost of \$140 in addition to full UCSU student fees. If you submitted a waiver in the fall, it will extend through the spring and summer of 1989.

UNIVERSITY OF COLORADO
AT BOULDER

THE CHANCE OF A LIFETIME!

- Expand your education to include a year, semester, or summer abroad.
- Financial aid and scholarships are available.
- We also issue International Student ID's and Eurail Passes.

Office of International Education
South Basement, ENVD, 492-7741
Monday through Friday, 9 a.m.-12 p.m. and 1 p.m.-5 p.m.

Tuition Rates Per Semester

Students who increase or decrease their credit-hour load should be careful to verify their insurance coverage status. Any changes in your Spring 1989 insurance coverage must be made by January 27.

If you are taking one course of 5 or fewer semester hours, supplemental health insurance will be available at the same price full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. Exception: approved doctoral candidates requesting student group insurance will be charged full price for the insurance plus Wardenburg Student Health Service fees of \$56.15.

Deferred Tuition

The option of deferring one-half your total bill until March 3, 1989, is available by completing a deferred tuition application on or before January 20. The first half of your bill will still be due by 4:00 p.m., January 20. Please be aware that the deferred balance will be subject to a 1 percent per month finance charge. If you have any doubt at all about being able to pay your full bill by January 20, please take advantage of this option. To qualify, your total bill at the time of application of deferred tuition must exceed \$100. The deferred amount will be calculated on the account balance at the time of deferment. Deferred tuition applications will be available at the Events/Conference Center beginning January 9.

Failure to Make Payment in Full by the Deadline

Failure to make the required payment on each due date may result in any or all of the follow actions:

a. You may be disenrolled from the University, becoming ineligible for all University services (see Disenrollment Policy below).

b. No grades will be issued for courses in progress unless you are reinstated within the prescribed deadlines.

c. No transcripts, diplomas, certification, or registration materials will be issued for you until your bill is paid in full.

d. A late payment charge in addition to a service charge (1 percent per month) on the unpaid balance will be assessed according to the following schedule:

Balance Due	Late Charge
\$ 1-\$99.99	\$ 5
100-299.99	10
300-499.99	20
500-699.99	30
700-899.99	40
900 and over	50

e. A late registration fee may be charged if you have been financially disenrolled (see Disenrollment Policy below).

* Disenrollment Policy *

When students fail to meet their entire tuition and fee obligations by March 3, 1989, official notification of disenrollment will be mailed by the Office of Registrations to their local mailing address. The letter will inform them of reinstatement procedures.

In order to reinstate, students who are disenrolled must pay late and service charges as well as a late registration fee of \$20 to \$30.

Students who are disenrolled and who fail to reinstate remain liable for full payment of all unpaid charges, including tuition and fees.

The Board of Regents reserves the right to change tuition and fees at any time. Tuition and fees can be expected to increase every year that you are in school.

Undergraduate In-State Tuition (1988-89)

Credit Hours Enrolled	Business, Engineering	Pharmacy	Other
1-3	\$330	\$333	\$291
4	440	444	388

18 and over	418	385	405

(each additional hour)

Student Fees

The student activity fee for students taking only one course (1-5 credit hours) is \$22.95 per semester, and for all other students is \$133.45 per semester. Fees are assessed by the University of Colorado Student Union (UCSU). In addition, all students are assessed a nonrefundable \$4 Student Information System fee. Also, students registered for 4 or more credit hours are assessed a student athletic fee of \$19.75 each semester for Title IX activities by the Board of Regents.

Extra Tuition Surcharge

There will be a surcharge for every credit hour over 17 you register for and retain past January 27, 1989. See chart above.

Matriculation Fee

There is a one-time nonrefundable matriculation fee of \$15 for new degree students that is assessed at the time of initial registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. A nondegree student who is admitted to degree status will be assessed a \$15 matriculation fee at the time of the student's first registration after the change has been made.

Faculty and Staff Tuition Benefit

Permanent faculty and staff are entitled to 1-6 credit hours at no charge per academic year (summer through spring). Student fees will not be charged for those courses in which a faculty or staff member enrolls on January 10 or later. If a faculty or staff member requests courses early and pays tuition for the course(s), student fees will be charged. Please see the next section for faculty and staff registration information.

KINKO'S IS MORE THAN COPIES

Kinko's has a service called "copy creation." Come to us when you need to design flyers, resumes, menus, tickets, forms, or other materials you wish to create and copy.

You might know us as copies, but we're really very original.

kinko's[®]
Great copies. Great people.

Concurrent Registration

If you plan to take at least one course at Boulder in the fall but cannot obtain course work required for your degree program, you may be able to concurrently register on another CU campus. The course work must be required for your degree program; you must have your dean's permission; and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Business students may only exercise the concurrent registration option if they are in their graduating semester; those Business students who are two semesters from graduation and who cannot obtain a course necessary to complete a prerequisite sequence may also be allowed to use this option. The course must be required for graduation and not be offered on the Boulder Campus, or the course must conflict with another required course in which the student is already enrolled. Other students wishing to take a business course concurrently must obtain the signature of the dean of Boulder's College of Business.

Concurrent registration forms and instructions will be available at the Office of Registrations in Regent Administrative Center between 9:00 a.m. and 4:30 p.m., beginning January 9, but you cannot register concurrently until after Drop/Add has begun on the other campus. Boulder students will pay Boulder tuition rates for all classes.

Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Please check with your dean's office for approval. (Arts and Sciences students may not register at UCD or UCCS except in the summer.)

On-Campus Course Request

New freshman, new transfer, and readmitted students who have not requested courses for spring semester before January 4 may do so in the UMC Ballroom on Wednesday, January 4 between 8:30 a.m. and 6:30 p.m., or on Thursday, January 5 between 8:30 a.m. and 2:00 p.m.

Registration for Faculty and Staff

All permanent faculty and staff members at the University may take 1 to 6 free credit hours each year. The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time status. Enrollment usually occurs on a space-available basis during the Drop/Add period, unless the faculty or staff member wishes to register early. In that event, course requests may be made via CU Connect in November and December, but full tuition and fees will be charged.

Faculty and staff members who wish to take a course as a nondegree student will need to take a copy of their Personnel Action Form and a nondegree student application to the Bursar's Office, Regent 150, by December 9. (Faculty and staff who were enrolled as nondegree students on the Boulder Campus during Fall Semester 1988 will be set up automatically for Spring 1989.) Office hours are 9:00 a.m. to 4:00 p.m.

Faculty or staff students applying to a degree program should follow the regular application procedures established by the Office of Admissions. However, in order to apply for the free credit hours, the application form and current PAF should be submitted to the Bursar's Office by December 9. After one semester as a new degree student, faculty and staff become continuing students and will be set up automatically each semester to request courses, although application for any of the remaining free credit hours must be made separately each semester.

For those applying for the tuition benefit, instructions may be obtained from the Bursar's Office, Regent 150. Student activity fees will not be charged if registration takes place during the Drop/Add period, with the exception of the \$4 SIS fee, which every student must pay.

Course work must be taken outside of scheduled working hours or with an adjusted work schedule of equivalent hours acceptable to the employing department.

A Few Last Things

Residency

If you're an out-of-state resident seeking in-state classification for Spring 1989, you should turn in your residency petition by 4:30 p.m., December 30, 1988, to the Office of Academic Records in Regent 125. Petitions will still be accepted through January 13, 1989, but you may be subject to enrollment levels and are unlikely to receive a decision by the tuition payment deadline. Adjustments will be made when applicable.

Students submitting completed petitions by November 1, 1988, will receive decisions by the deposit payment deadline. If you are a financial aid recipient seeking in-state classification, be sure to submit your petition by November 1, 1988, to make sure your award is processed in time for fall. Complete information regarding the requirements for in-state status is available from the Office of Academic Records, Regent 125, telephone (303) 492-6868.

Time Out Program

For those who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you return, and you may request courses via CU Connect. An application fee of \$20 is charged. More information is available from the Office of Registrations, phone (303) 492-8673.

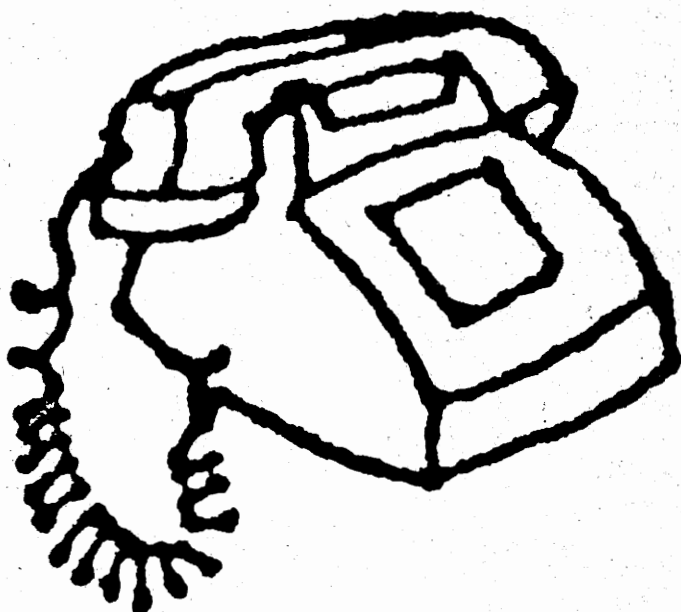

Withdrawal Procedures

If you anticipate withdrawing from CU-Boulder, please do so officially: it will save you time, money, and hassle. If you need to withdraw from Spring Semester 1989 before January 11, you can fill out a withdrawal form in the Office of Registrations or write a letter to the Withdrawal Coordinator, Office of Registrations, Campus Box 7, University of Colorado at Boulder, Boulder, CO 80309-0007. You may also withdraw by dropping all of your courses via CU Connect before January 11.

Beginning January 11, you must complete a withdrawal interview. The interviewer will discuss the procedures for withdrawing, as well as your reasons for leaving. You won't need to drop your classes; that will be done for you. If you don't officially withdraw, a failing grade may be recorded for all of your classes. Remember, deadlines and rules for withdrawing may vary with each college and school.

Withdrawal Period	Refund or Assessment Schedule
November 15–December 30 4:00 p.m. (continuing students only)	Full refund of registration (not confirmation) deposit (\$100 in-state or \$300 out-of-state).
December 31–January 27	Full amount of registration or confirmation deposit is retained by the University.
January 28–February 10	Amount of registration or confirmation deposit retained or 40 percent of full tuition and fees assessed, whichever is greater.
February 11–February 24	Amount of registration or confirmation deposit retained or 60 percent of full tuition and fees assessed, whichever is greater.
February 25–May 1	No refund. 100 percent of tuition and fees due.

Note: Undergraduate students will no longer be withdrawn for not picking up their class schedule, as they were in previous semesters. If you have decided not to return to school, you must officially withdraw from the University.

Colleges and Schools

You are responsible for knowing the academic policies and graduation requirements of your college or school. Please refer to the *1988-89 University of Colorado at Boulder Catalog* and your college or school advising office for official information.

Communication

YOU MUST ATTEND BY THE THIRD CLASS SESSION TO CLAIM YOUR PLACE OR YOU MAY BE ADMINISTRATIVELY DROPPED.

INDEPENDENT STUDY COURSE WORK IS AVAILABLE. PLEASE CONSULT THE DEPARTMENT OFFICE FOR FURTHER INFORMATION.

GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS, PLEASE CONSULT THE DEPARTMENT FOR FURTHER INFORMATION.

ONLY COMM 1020 AND 1240 ARE OPEN TO ALL UNDERGRADUATE STUDENTS, AND STUDENTS WHO NEED A COMMUNICATION COURSE TO COMPLETE COLLEGE LIST REQUIREMENTS SHOULD ENROLL FOR ONE OF THEM. ALL OTHER COURSES ARE RESTRICTED TO COMMUNICATION MAJORS.

COURSES 3350 AND THOSE NUMBERED 4000-4999 ARE RESTRICTED TO JUNIOR AND SENIOR COMMUNICATION MAJORS. COURSE 4210 IS RESTRICTED TO SENIOR COMMUNICATION MAJORS WHO HAVE EARNED 105 OR MORE SEMESTER HOURS TOWARD GRADUATION. DEPENDING ON THE NUMBER OF REQUESTS, OTHER COURSES MAY BE FURTHER RESTRICTED, IN GENERAL GIVING PREFERENCE TO COMMUNICATION MAJORS AS THEY NEAR GRADUATION.

COURSES NUMBERED 5000 AND ABOVE ARE RESTRICTED TO GRADUATE STUDENTS, AND SOME ARE RESTRICTED TO GRADUATE STUDENTS IN COMMUNICATION OR TO INSTRUCTOR APPROVAL.

PREREQUISITES FOR COURSES NUMBERED 4000-4999 ARE ANY TWO OF THE FOLLOWING: COMM 2030, 2150, OR 2500.

Physical Education

ANY STUDENT WITH THREE OR MORE ABSENCES THROUGH JANUARY 27 MAY BE ADMINISTRATIVELY DROPPED. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL COURSES.

INDIVIDUALS REGISTERING FOR PHYSICAL EDUCATION ACTIVITY COURSES ARE EXPECTED TO BE IN SATISFACTORY HEALTH AND BE ABLE TO PARTICIPATE IN VIGOROUS ACTIVITY WITHOUT RESTRICTION. IF THERE IS DOUBT OF ADEQUATE HEALTH STATUS, THE STUDENT SHOULD OBTAIN CLEARANCE FROM A PHYSICIAN OF CHOICE, FROM WARDENBERG STUDENT HEALTH SERVICE, OR FROM THE HUMAN PERFORMANCE LABORATORY OF THE DEPARTMENT OF KINESIOLOGY.

STUDENTS REGISTERED IN ACTIVITY CLASSES MAY BE DROPPED FOR NON-ATTENDANCE. FURTHER INFORMATION MAY BE OBTAINED FROM THE DEPARTMENT OFFICE.

PHED 1130 2 PRIN AND PRAC OF FITNESS STUDENTS MUST REGISTER FOR LECTURE AND RECITATION.

University Writing Program

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 1000-LEVEL, YOU SHOULD ENROLL IN A SECTION OF UWRP 1850 WHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY WRITING PROGRAM. SHORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER DIRECTED WRITING, EXPOSITORY WRITING, OR ARGUMENTATIVE WRITING ACCORDING TO THE FOLLOWING CRITERIA:

-IF YOU HAVE PREVIOUSLY TAKEN AND PASSED, WITH A C OR BETTER, A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE REQUIRED, DURING THE FIRST DAYS OF CLASS, TO WRITE SOME ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL.

-IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE REQUIRED, DURING THE FIRST DAYS OF CLASS, TO WRITE SOME ESSAYS THAT WILL DETERMINE YOUR PLACEMENT.

BEFORE THE END OF THE DROP/ADD PERIOD YOUR INSTRUCTOR WILL PLACE YOU INTO THE APPROPRIATE COURSE.

NOTE. UNIVERSITY WRITING PROGRAM COURSES DO NOT FULFILL THE HUMANITIES REQUIREMENT ON THE COLLEGE LIST UNLESS YOU HAVE TAKEN A S 100 IN A PREVIOUS SEMESTER.

Academic Integrity

A university's intellectual reputation depends on the maintenance of the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado.

Breaches of academic honesty include cheating, plagiarism, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

Cheating. Cheating takes place in different ways, but basically involves dishonest behavior, such as copying from another person or obtaining any form of unauthorized help or assistance from any person or source.

Plagiarism. In all academic areas, it is imperative that work be original or that explicit acknowledgment be given for the use of another person's ideas or language. In a term paper, for example, failure to use quotation marks, even if a footnote source is provided, is plagiarism.

Students should consult with their instructors regarding specific standards or procedures appropriate in each given field.

Sanctions. Breaches of academic honesty will result in disciplinary measures. These can include:

- A failing grade for a particular assignment
- A failing grade for a particular course
- Suspension for various lengths of time or permanent expulsion from the University.

Breaches of academic honesty are under the purview of each college and school pursuant to the Laws of the Regents, Article V, Section C. For further information and for individual college and school policies, please consult your dean's office.

Academic Standing

Generally, to be in good undergraduate academic standing at CU-Boulder, you must maintain a 2.00 GPA (C average) or better. If you cannot maintain this average, a scholastic stop may be placed on your registration.

Graduate students are expected to maintain a 3.00 GPA (B average) or better.

Please check individual college and school policies in the University *Catalog* for information on specific GPA requirements and on scholastic stops.

Final Examination Policy

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the *Schedule of Courses* each semester. While it may be appropriate to not give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students should assume that an examination will be given.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible educational experience for students.

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or for additional instruction.

2. The final examination in a course should be given as scheduled and not at other times even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

Grade Reports

Your Spring Semester 1989 grades will be sent to your permanent address approximately three weeks after the end of finals. They will also be available for pickup in Regent 125 after that date.

Graduating Students

If you're planning to graduate this coming year, please check with your college or school dean's office for graduation application deadlines and notification procedures. Some colleges and schools require consultation in the semester preceding the semester of graduation.

Rights and Privacy—Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory information." Such information may be released to anyone unless students inform the Office of Academic Records that they do not wish the information released.

"Directory information" includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, students must go to the Office of Academic Records before January 27 to request that directory information about them be withheld. Once requested, nondisclosure of directory information will remain on their records until they are no longer enrolled at the University.

To prevent names and addresses from appearing in the *1988-89 Directory*, students must have requested withholding of directory information before September 16,

1988. (The directory is published during the Fall Semester only.)

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and at the Office of Academic Records, Regent 125, (303) 492-3066.

Transcripts

If you would like to get a copy of your CU academic record for advising purposes, you may request that an unofficial transcript be sent to any department on campus.

An official transcript containing your complete academic record (with the embossed seal of the University) can be requested in writing from Academic Records. There is no charge, but it usually takes 5 to 8 days to process. Rush transcripts (processed within a day) cost \$3.

Here to Serve You

Continuing Education

Both credit and noncredit classes are offered through Boulder's Division of Continuing Education, and many credit classes may be used to supplement your degree program. Almost all classes are offered in the evenings or by correspondence. There is a limit to the number of continuing education credits that may transfer to your degree program, and eligibility requirements vary among the different colleges and schools. Registration is scheduled to begin January 12 and continue through January 27. Due to a possible change, however, please call for confirmation of dates and location. You can call Continuing Education at their toll-free number (1-800-332-5839) or call 492-9000 for taped information. Tuition payment is due upon enrollment.

High School Nondegree Enrollment Program

Local high school students with outstanding academic records can enroll at CU-Boulder, and the credit they earn can be applied to their high school graduation or to college-level transfer credit. Registration is carefully guided and must take place in person. Please call (303) 492-6301 for further information.

Nightwalk/Nightride

Please don't walk home alone at night! UCSU provides two volunteer services that will get you home safely. Nightwalk is an escort service, offering teams of male and female walkers who will accompany you anywhere on campus and within a two-block radius of campus. Come to the east lobby of Norlin Library or call 492-SAFE.

The Nightride van will take you home if you have a CU Photo ID and if you live within the Boulder city limits. The van leaves from the east lobby doors of Norlin every night, on the hour, from 7:00 p.m. to midnight. There are extended hours during finals. Come to the lobby or call 492-SAFE to be picked up by the van.

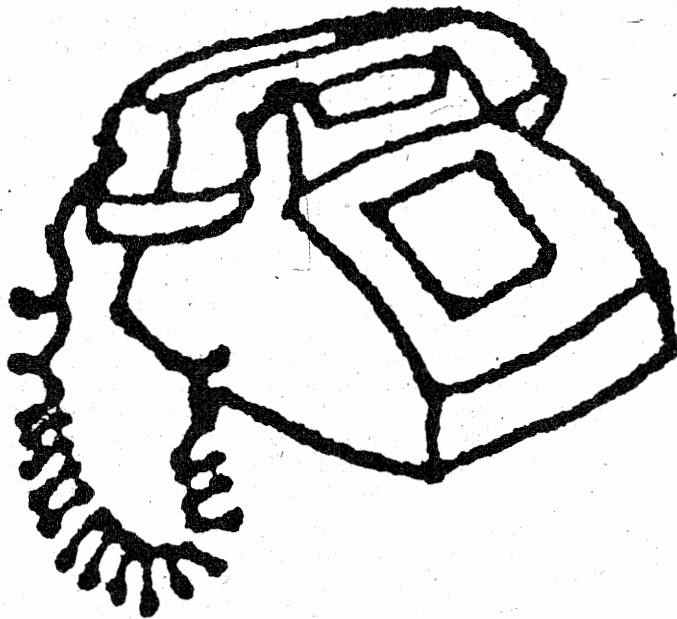

Student Conduct

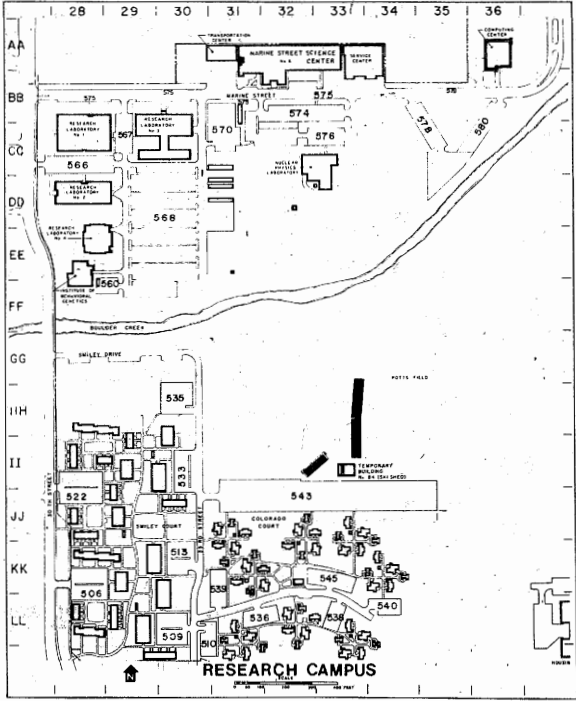

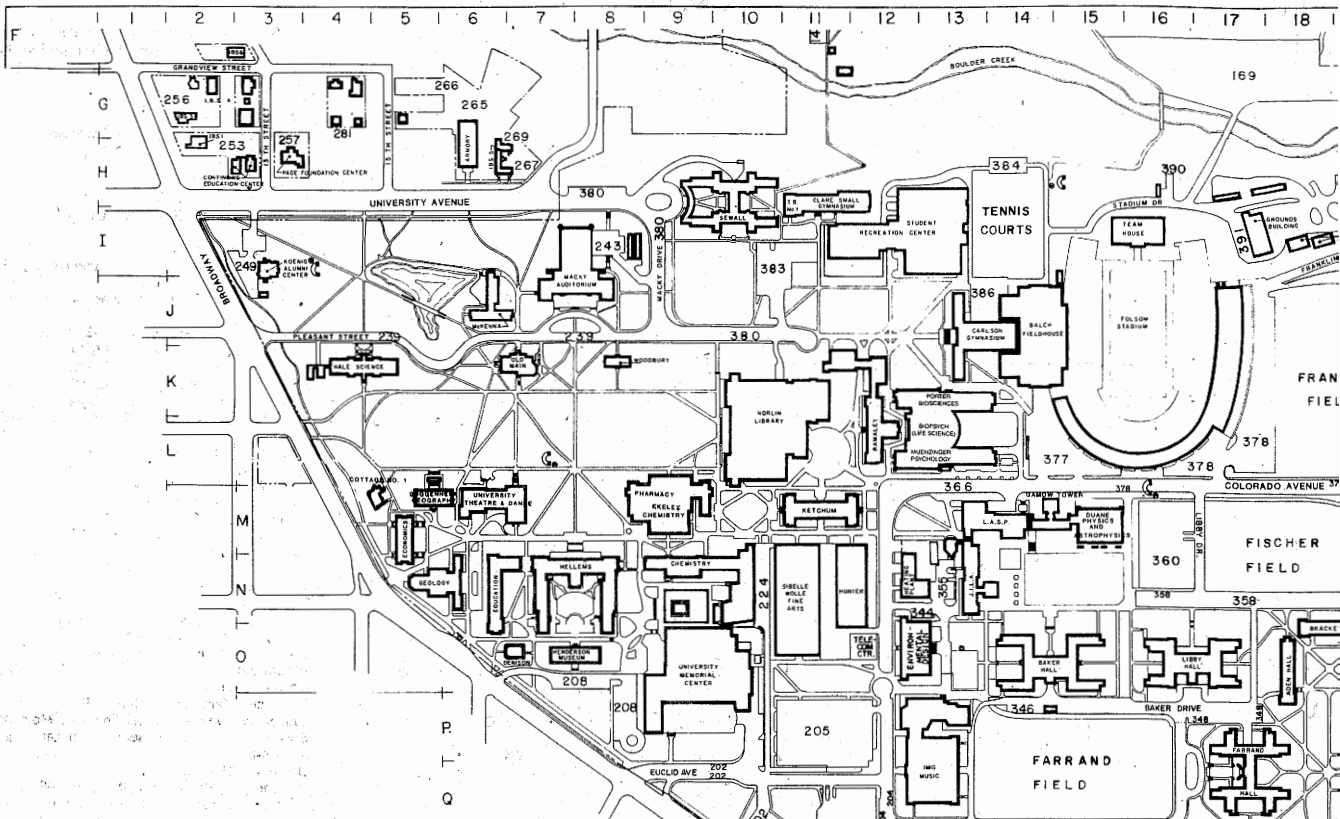

The Standards of Conduct and the procedures for implementing them have been developed by the Student Conduct Advisory Committee composed of students, faculty, and staff. In establishing these standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community.

The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone shares in the commitment to protect the integrity and personal safety of each member of the University community.

In most cases, if an individual is found in violation of one of the Standards of Conduct, the University's primary interest will be to help the individual avoid further inappropriate behavior and become a responsible member of the University community. However, if an individual fails to correct inappropriate behavior, or if the violation of the Standards of Conduct is serious, the University will consider taking disciplinary action that may include suspension or permanent expulsion. Behavior that threatens the safety or violates the basic purpose of the University community will not be accepted.

Any time students have questions regarding the application of the Standards of Conduct, or feel that another person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to contact the Office of Student Conduct, Willard 223, (303) 492-5601.
