

REGISTRATION HANDBOOK AND SCHEDULE OF COURSES

SPRING 1992

UNIVERSITY OF COLORADO AT
BOULDER
OFFICE OF THE REGISTRAR

\$1.00

TABLE OF CONTENTS

This revised and expanded *Registration Handbook and Schedule of Courses* contains all the information you need to register for spring 1992, to adjust your schedule, and to pay your bill. Only if policies or procedures change at the last minute will you receive further information. **Please keep this handbook with you throughout the remainder of the fall 1991 and spring 1992 semesters.** You'll receive one free copy of the handbook before registration. Additional copies may be purchased from the University Book Center for \$1.

The requirements, policies, and course descriptions of each college and school at Boulder are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies during your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time, all information is subject to change. Changes may occur at any time in University, college, or school policies. It is your responsibility to be aware of such changes by consulting departmental advisors, checking departmental materials, and reading all of your registration materials carefully.

The University of Colorado at Boulder has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, national origin, sex, age, disability, creed, religion, or veteran status.

ACADEMIC CALENDAR

BEFORE YOU REGISTER

Before you register, please read the following information. Many of the questions you may have about registration procedures can be answered here. The information is listed in alphabetical order.

Addresses—Very Important!

- *Keep your addresses updated!*
- *Check your addresses on your invitation to register.*

Throughout your time as a student, we will mail important registration materials to you. Therefore, **it is extremely important that you keep your addresses updated at all times.**

Three addresses on your student record must be kept current if important mailings are to reach you: your mailing address, your permanent address, and your summer address.

Your **mailing address** is your address in Boulder during the school year, *e.g.*, the residence hall, apartment, or house where you live during the fall and spring semesters.

Your **permanent address** most often is your parents' or guardians' residence, *e.g.*, the place you call home during the time you are not attending school.

Your **summer address** is your address from the end of the spring semester to the beginning of the fall semester and is the address, for example, to which your spring semester grades will be sent.

Please note that you can have a number of address combinations: a different address for mailing, permanent, and summer; or the same address for any two or all three of these categories.

You may look up any of your addresses (using the Address Locator System) and fill out a change of address form at the Registrar's Office in Regent 105, in the Financial Aid Office, or in UMC 165. You can also call (303) 492-6581 to update your addresses. Note that these addresses are only reflected on the student address information system; other offices, such as the library, have separate address systems and changes should be made there as well.

Advising

- *Check your invitation to register for advising requirements!*

Some CU-Boulder colleges and schools require that you consult with an advisor before registering for courses. A code is set on the system that will prevent you from registering until you have seen an advisor. If you receive such a message on your invitation to register or when calling CU

Connect, and you are an arts and sciences or an engineering student, call your faculty advisor, your major department, or your dean's office to make arrangements for advising. If you are a student in any other college or school and you receive an advising message, you should call your dean's office.

After you have been advised, the code on the computer will be removed, and you may call CU Connect to register.

Registering Your Bike

Bicycle registrations are required for bicycles parked on campus, and can be purchased at the bicycle kiosk, located on Wardenburg Drive northeast of Cheyenne Arapaho Hall. The kiosk will be open beginning Monday, January 13, from 9:30 a.m. to 2:30 p.m., Monday through Friday. Please call 492-2322 for bicycle registration and safety information.

BEFORE YOU REGISTER

Changing Your Major

- *Request this change at your new department!*

If you would like to change your major or declare a major before you register, simply go to that department and ask about its procedures. Most of the time, you will only need to fill out a change-of-major form. Your change will be entered on-line into the system as soon as it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an *intrauniversity transfer* (IUT). Please see that section on this page.

Controlled Enrollment and Independent Study Courses

- *You must receive permission from the department before registering.*

If you are interested in taking a course with an 800- or 900-level section number, you will need to contact the department for permission and for the five-digit course call number before you register. Enrollment in these courses is limited by the appropriate departments.

Beginning Monday, January 13, controlled enrollment courses may only be added for you by department staff members or via a special action form in the registrar's office.

Credit-Hour Limits

- *A maximum of 19 hours of course work can be requested during registration.*
- *A maximum of 21 hours of course work can be requested during final schedule adjustment.*

You can only request **19 hours** of course work during registration, *including* wait-listed courses. Once you have completed

your registration, you should check with your college or school to determine the maximum number of credit hours that can be counted toward your degree each semester. Remember that **12 hours** is considered a full-time undergraduate student load for financial aid purposes.

You will be allowed to carry up to **21 hours** during final schedule adjustment.

Credit Options

- *You do not receive a grade for no-credit courses; however, you still pay full tuition.*
- *You can make credit option changes throughout the registration and schedule adjustment period.*

No Credit. You can select classes on a no-credit basis (an *NC* will appear on your transcript in place of a grade) during registration or schedule adjustment. However, you will still pay full tuition for the course. Please check with your college or school for policies on no-credit status and how it may be used.

Pass/Fail. You will be able to select classes on a pass/fail basis throughout registration and schedule adjustment. Please check with your college or school; there are restrictions on the number of courses and the types of courses that can be taken pass/fail.

Once you have signed up for a course on a pass/fail basis, your professor is not told—and should not be told—that you are taking the course on a pass/fail basis. You will be assigned a grade for the class. A grade of *D*- or above is automatically converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your grade point average; a grade of *P* is not counted.

Variable Credit. When requesting a variable-credit course (one with a range of minimum and maximum credits), you need to decide how many credits you would like to receive in that course. Indicate this when prompted by CU Connect. You can change how many credits you would like to receive for the course throughout registration and schedule adjustment.

Double-Degree Programs

- *If you are working on two degrees, verify that we have this information.*

If you are working in a double-degree program (for example, obtaining one degree from arts and sciences and one from business), you should check to see that *both* degree programs are entered on the Student Information System. Check with your dean's office; if you are not on the system, you may not be able to register for required classes during registration. If you have questions concerning your double-degree program, check with one of your deans.

Intrauniversity Transfer (IUT)

- *Check with the dean's office of your new college or school for admission criteria.*

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted to the new program. If you are not accepted into the college or school during your registration period, you will be able to adjust your courses through January 31.

BEFORE YOU REGISTER

Parking Permits

• *If you need to park on campus, you'll need a permit. Please read the following information carefully.*

On Sunday, January 12, from 8:00 a.m. to 3:00 p.m., campus parking permits will be sold to residence halls students only. Main-campus residence hall permits will be sold at the Coors Events/Conference Center (concourse level). Williams Village permits will be sold at Darley Commons.

Permits for law students will be sold at the School of Law on Monday, January 13, from 8:00 a.m. to 3:00 p.m.

Permits for commuter students and all other students will be sold on Monday, January 13 (8:00 a.m. to 3:00 p.m.), and Tuesday, January 14 (8:00 a.m. to 2:00 p.m.) at the Coors Events/Conference Center (concourse level).

On January 15, 16, and 17, parking permits will be sold at the Coors Events/Conference Center, in Conference Room 1, located on the concourse level. Permit sales hours on January 15, 16, and 17 are from 8:00 a.m. to 4:00 p.m.

Unfortunately, permit availability is limited. You may not purchase a permit for another student. Residence hall students must present a photo ID and a current meal voucher or sticker. Commuter students must present a photo ID (preferably a student ID). You are no longer required to present your schedule/bill to buy a parking permit.

You must present a valid state motor-vehicle registration for the car you want to park. Photocopies of vehicle registration, proof of insurance certificates, and/or certificates of title are **not** accepted in place of vehicle registration. The charge for your permit will be added to your tuition and fee bill.

After January 17, please call 492-3550 for permit availability information.

Photo IDs

• *Now located in UMC 25 and open between 11:00 a.m. and 4:00 p.m.*

Your validated photo ID is an important identification card to carry with you. It signifies that you are a currently registered student and allows you to use University services.

The Photo ID Office is located in the UMC, room 25, across from the Book Center.

To have an ID made, go to the Photo ID Office, Monday through Friday, between 11:00 a.m. and 4:00 p.m. On January 13, the Photo ID Office will be open from 8:30 a.m. to 4:30 p.m. On January 14, regular office hours of 11:00 a.m. to 4:00 p.m. will resume.

You must have some other form of picture ID with you when you go to have your student ID made. Your initial ID is free, but there is a \$10 charge for replacement IDs. (Continuing education and SAVE students do *not* receive an initial free ID.)

Special Services Form

• *Continuing students must turn in this form to obtain the registration handbook.*

This form, which allows you to choose special services such as the yearbook, tickets for the Artist Series, and Career Services programs, must be turned in to complete your registration. You do not have to choose any of the services, but completion of the form is a required part of the registration process.

Most of you will have filled out the form before you received this registration handbook. If you have not yet completed the form, please follow the instructions for

SEMESTER AT SEA[®]

A Voyage of Discovery

Is your education preparing you completely for the global community in which we live? Consider internationalizing your course of study by spending a semester studying and traveling around the world on the University of Pittsburgh-sponsored Semester at Sea program. Since 1978 over 1500 CU students have experienced Semester at Sea.

Each fall and spring undergraduates from across the U.S. and abroad live and learn together aboard the *S.S. Universe*, an 18,000 ton ship equipped as a floating campus. During this 100 day voyage you can earn 12-15 transferable credits, choosing from more than 50 lower and upper division courses. Experience an itinerary as culturally diverse as *Venezuela, Brazil, South Africa, Kenya, India, Malaysia, Hong Kong, Taiwan and Japan.*

For information on upcoming voyages and scholarship availability, visit or call:

BEFORE YOU REGISTER

filling it out, sign your name, and mail it in the return envelope via U.S. mail or campus mail. You may also drop it off at the Office of the Registrar, Regent 105, or the student services satellite office in the UMC 165.

Stops on Your Registration

- *Check your invitation to register for stops!*

When you call CU Connect, you may get a message that you have a "stop" on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters. **You will not be allowed to register until all stops have been cleared.**

Most often, you will know about a stop before calling CU Connect, because a message will be printed on your invitation to register. However, stops can occur at any time in the registration process, so you should make it a point to know the status of your student record.

If you have a **financial stop**, which indicates unpaid University debts, you may be withdrawn from your spring classes if you fail to pay your bills. Please check with the Bursar's Office in Regent 150, (303) 492-5381.

If you have been placed on a **scholastic stop**, check with your dean's office. You won't be allowed to register for spring courses until the stop has been removed.

Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you

return, providing you meet registration and deposit deadlines. An application fee of \$30 is charged. More information is available from the Office of the Registrar, Regent 105, phone (303) 492-8673.

Note: If you are registered for the semester you plan to begin TOP, you must formally withdraw. See the "Withdrawal Refund or Assessment Schedule" on page 19.

Transcripts

- *May be ordered by phone, mail, or in person in Regent 105.*

If you would like to get a copy of your CU academic record for advising purposes, you may call 492-6907 or fill out a form in the Regent lobby to request that an *unofficial transcript* be sent to any department on campus. You may also order a copy for your own personal use in the same manner. Unofficial transcripts can be picked up the following day at the Office of the Registrar, Regent 105.

The *official transcript* includes the complete undergraduate and graduate academic record of courses you have taken at all campus locations or divisions of the University of Colorado. It contains the signature of the registrar and the official embossed seal of the University. Official transcripts are primarily used to support applications for transfer to other academic institutions and for employment purposes.

Official transcripts, which include end-of-term grades, will be available approximately one week after final examinations. A transcript that is to have a degree recorded will be available approximately six weeks after graduation.

Transcripts may be ordered in person, by mail from the Office of the Registrar, Transcript Section, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068, or by telephone request at (303) 492-8987.

CONFIRMED REGISTRATION

All students will participate in confirmed registration. You will be able to call CU Connect to register for classes, list your schedule, drop and add classes, and sign up for course wait lists. You will also receive immediate confirmation of your enrollment in courses.

1 Receiving Your Registration Invitation

• This form, mailed to your home if you do not have a required orientation, includes your registration time assignment, your personal identification number (PIN), addresses, and stops.

If you're a continuing student, new graduate student, readmitted student, or certain category of new freshman or transfer student, a personalized invitation to register will be mailed to you indicating the date and time you can call CU Connect to register for classes.

Note: If you are required to attend an orientation session, you will receive all registration materials and register at orientation.

You can call any time *after* your time assignment begins, through 10:00 p.m. on January 9. However, because confirmed registration is conducted on a first-come, first-served basis, it's to your advantage to call as soon as possible. Classes fill up throughout the registration period.

Registration **time assignments** are based on class rank, with graduating seniors receiving the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and second-semester freshmen. Your invitation to register includes your **personal identification number (PIN)**, which allows you to access CU Connect. Keep it confidential. If you need to change it, come to the Office of the Registrar in

Regent 105, and another PIN will be assigned to you.

A financial, scholastic, or miscellaneous registration stop may also be indicated on your invitation to register. These stops can prevent you from registering. Please see page 7 for more information.

2 Filling Out Your Registration Form

• Located on page 99.

Use the **schedule worksheets** in the back of this handbook to fill out a preliminary schedule for spring 1992. Then, fill out your **confirmed registration form** on page 99 before you call CU Connect. It is always a good idea to include alternate requests on your form in case classes you request are full. You should be ready to enter alternate choices when prompted by the computerized telephone voice.

3 Getting Academic Advising

If you are required to see an **academic advisor** (indicated on your invitation to register), call or visit your department office as soon as possible. You will need to bring your completed registration form to your appointment. You will not be allowed to register until you have met with your advisor.

4 Registering for Spring Courses

Call CU Connect, (303) 938-8110, from any touch-tone phone (if you are using an on-campus phone, dial "8" before the number). You may call anytime after your assigned time begins. To log on to the system, you must enter the information on the next page using the telephone key pad.

OFF-CAMPUS HOUSING

UMC 336 • Monday - Friday, 9-4 • 492-7053

Looking For A Place To Live?

The Off-Campus Housing office is an excellent resource for students looking for a place to live. We provide personalized computer listings of houses, apartments and roommates. We maintain the largest listing of available student housing in Boulder.

Information on...

Leases, sharing an apartment, eviction, security deposits, maintenance and repairs, tenant's rights, finding a roommate and much more!

Computer searches are \$1.00 plus 15 cents per page.

CONFIRMED REGISTRATION

When prompted by the computerized telephone voice, enter:

- the action code, which is 7003#
- the spring term code, which is 921#
- your University student number #
- your personal identification number (PIN)#

You can then enter your courses using the touch-tone key pad. You must end every transaction by pressing the pound key (#).

CU Connect is available Monday through Friday, 7:00 a.m. to 7:00 p.m. and 8:00 p.m. to 10:00 p.m. It is also available on Sundays from 11:00 a.m. to 9:00 p.m. The system will *not* be available on December 25 or January 1, 10, or 12. Also, CU Connect will only be available between 7:00 a.m. and 5:00 p.m. on December 24 and 31.

You must complete your registration by **10:00 p.m. on Thursday, January 9.** Students who have not registered by this time may not be able to register at a later time, unless their category is open for late registration. In addition, lower priority and late fees apply to late registrants.

5 Adjusting Your Spring Schedule

- *Make your changes before you return for classes in the spring!*

Once you have registered, you will be able to make adjustments to your schedule by calling CU Connect and dropping or adding classes. By calling CU Connect, listing your schedule, and making any needed changes during the registration period, you should have the schedule you want when the spring semester begins.

Simply follow the CU Connect function codes below to add or drop classes from your schedule.

Searching for Open Course Sections

- *Press 7# (search) when prompted.*

If you request a section of a course that has been cancelled or is full, the computerized telephone voice will ask you if you want to conduct a search for open sections of that course. If you do, simply press 7#.

CU Connect will look for another section of the course available during the same time slot. If one is available, it will place you in that section. If one is *not* available, it will search for any open section beginning with the first section of the course that is open and fits in with your schedule.

CU CONNECT FUNCTION CODES

To **add** a course, press 2* before the course call number, then #.

To **drop** a course, press 3* before the course call number, then #.

To **list** your schedule, press 5#.

If a section of a course is closed, and the course has more than one section, CU Connect gives you the option of **searching for another available section.** It will prompt you to press 7#.

If CU Connect gives you the option of adding your name to a course **wait list**, it will prompt you to press 9#.

To **exit** from the system, press 8#.

The **pound sign (#)** is required after every transaction.

1	ABC 2 add	DEF 3 drop

Credit Options

To request a course for **no credit**, press *1 between the course call number and #.

To select the **pass/fail** grading option, press *2 between the course call number and #.

To add an **independent study or controlled enrollment** course, you must get permission and the appropriate five-digit course call number from the department offering the course. Beginning January 13, you will only be able to add controlled enrollment and independent study courses at a terminal.

To request a **variable-credit** course, determine how many credits you would like to receive for the course. When prompted by CU Connect, enter the number of credits you have chosen.

CONFIRMED REGISTRATION

CU Connect will continue the search until an open section is found that fits your schedule or until it is determined that no open section for that course is currently open and available.

Course Time Changes

- *Original sections are cancelled and new sections are added.*

Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published. If this is the

case, the department cancels the original section and adds a new section that reflects the time change.

If you register for a course and CU Connect tells you the course has been cancelled, *please try the search option (7#)*. CU Connect will let you know if the new section of the course with the time change is available and fits in with your schedule.

Listing Your Schedule

- *Press 5# (list).*

You can list your schedule anytime by logging on to CU Connect and then pressing 5#. If you decide to put your

name on a course wait list, you will want to list your schedule frequently to find out if you have been enrolled in the class. Please see the next page for more information on wait lists.

USING WAIT LISTS

Throughout confirmed registration and schedule adjustment, if you are eligible to take a course but find that it has been closed, you may be able to put your name on a computerized wait list.

A **wait list** is a registration feature that allows you to place your name on a list for a course that is currently filled but may have openings later in the registration process. Each department determines if a wait list will be offered for a course and what type of list will be used. There are two types of wait lists: **automatic** and **resequenced**.

The **automatic wait list** is set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

The **resequenced wait list** uses a priority system to determine who gets to enroll in a course as spaces open up. Priorities are established by the department, and are usually based on class standing and/or major. Priorities may change during the registration period.

CU Connect will inform you if a class you have requested has a wait list and will give you the option of adding your name to the list. Simply press 9# when prompted and listen for verification.

Deadlines for Wait Lists

- *Deadline is January 28!*

You will be able to place your name on course wait lists through **Tuesday, January 28**. At the end of that day, all wait lists will be frozen. If you still want to be enrolled in a class as of January 29, **please check with the department offering that course**. You *must* let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after January 28.**

If you are automatically enrolled from a wait list in a class you no longer want and fail to drop it by January 31, **you may be charged tuition for the class**. Also, if you do not attend a course you have been enrolled in, **you will receive an F for that class**.

Wait Lists for Labs and Recitations

- *You must be enrolled in all parts of a lecture/lab/recitation by January 31!*

If you are closed out of a lecture course that has a lab or recitation, you can only be placed on a wait list for the lecture portion of the course. Once you are enrolled in the lecture course from the wait list, you can then try to add the lab and/or recitation via CU Connect.

The system refers to labs and recitations as **"second- and third-level activities."** You must be enrolled in required labs and recitations by January 31, the last day of schedule adjustment.

Wait-List Positions

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and schedule-adjustment periods, specific position information cannot be made available until the week of January 13.

If you choose *not* to remain on a wait list, please drop your name from it as soon as possible by entering 3*. Other students will be waiting to enroll in the course.

Important!

- *It is your responsibility to find out if you've been enrolled from a wait list into a class.*

If you place yourself on a wait list during registration or schedule adjustment, **it is your responsibility to call CU Connect** to find out if you have been enrolled in the class. When a space opens up for you from a wait list, you will be enrolled automatically in the class. **No verification will be sent.**

You must check your schedule via CU Connect periodically to confirm your enrollment. Simply press 5# after logging onto the system.

Remember: If you find that you have been enrolled in a course that you no longer want, please drop it as soon as possible so other students can enroll in the class.

GETTING YOUR SCHEDULE/BILL

You can pick up your official schedule/bill and have your ID validated on **Monday, January 13, 8:30 a.m. to 4:00 p.m.** (or until 7:00 p.m. on Tuesday, January 14).

Schedule/Bill Pickup Sites:

- Arts and sciences students go to Balch Fieldhouse
- Law students go to the Law School
- All others go to the Coors Events/Conference Center

Try to pick up your schedule/bill on January 13. If a University error has occurred with your schedule, it can best be corrected on that day.

Schedule/bills will then be available from January 14 to January 17 at the Coors Events/Conference Center. After these dates, schedule/bills need to be picked up at the Office of the Registrar in Regent 4, between 8:30 a.m. and 4:00 p.m.

Validating Your ID

You can have your ID validated with a sticker when you pick up your schedule/bill. If you do not have your ID at the time of schedule/bill pickup, or if you add more than one course and need a fees sticker after receiving a no-fees sticker, you may obtain the proper validation sticker in Regent 105 or the Coors Events/Conference Center (January 13-17 only).

Understanding Your Schedule/Bill

Your class schedule lists the courses for which you are registered. If a message instead of a course title is listed or a course you requested does not appear, it means you are not registered for that course.

Your schedule also includes a **time assignment** for dropping and adding courses during final schedule adjustment. See "Adjusting Your Schedule" on pages 14 and 15 for more information.

Messages That May Appear on Your Schedule

Read the following for some of the reasons you may not have been enrolled in a course.

"STUDENT INELIGIBLE FOR COURSE"

• **Class Restriction.** Class enrollment may have been limited to students who should have earned a certain number of hours by the end of the fall semester or by class level. Class restrictions are not likely to change during the schedule-adjustment period.

• **Controlled Enrollment.** Special authorization was required from the department before requesting this class. You may discuss enrollment with the department.

• **Major Restriction.** Enrollment was limited to students in specific majors, colleges, or schools. These restrictions are not likely to change during the schedule-adjustment period.

"COURSE CANCELLED"

Either the course or the section you requested was cancelled. Contact the department for additional information or try to add a different section.

Wardenburg Student Health Center

After you have paid your student fees, you are eligible to use Wardenburg Student Health Center for your medical, psychiatric, and dental care. Your optional Student Health Insurance pays for most services. Call (303) 492-5101 for more information about Wardenburg.

UCSU

FINAL SCHEDULE ADJUSTMENT

You may use CU Connect to list your schedule and to make changes during your registration period as well as during **final schedule adjustment** (the first three weeks of the spring semester, January 13 through January 31).

Schedule Adjustment Time Assignments

- Look for the time assignment on your schedule/bill.

Students can drop and add classes *by time assignment only* on January 13 and 14. **Time assignments will be strictly enforced.** The system will not allow early transactions; therefore, you will not be able to drop or add classes before your time assignment. Time assignment priorities are determined by the number of credit hours listed on your schedule. Students with the fewest number of listed hours get the earliest time assignments.

How to Adjust Your Schedule

- Use the schedule adjustment form on page 101.

Complete the form on page 101 of this handbook, filling out the call numbers, department abbreviations, and course numbers of classes that you want to drop and/or add to your schedule. Because there will be many closed courses, you should have several second-choice courses available. Lists of available courses can be found at the central schedule adjustment site (Coors Events/Conference Center) as well as in UMC 165 and the lobby of Regent. You can also look up available courses on CULine.

If you would like to add a **controlled enrollment or an independent study course**, you will need to go to the depart-

ment offering the course. Staff there will either be able to enroll you in the course on-line or will give you a special action form to take to the central drop/add location.

Looking for Available Classes on CULine

- CULine computer terminals are available throughout the campus to check listings of available courses.

To look for available classes at any time during the registration and schedule-adjustment periods, you can access CULine from a computer terminal. CULine will list courses that are open, and entries will be updated regularly.

Terminals dedicated to CULine are located in the lobby of Regent Hall, the UMC, Norlin Library, the Recreation Center, and the Engineering Center. Computing and Network Services (CNS) computing sites in Business, Engineering, Ketchum, Muenzinger, Norlin, and Physics also have CULine access.

On most computers, you will be able to log on to the system by hitting the "break" key. If you have any difficulties, computing advisors can help you at (303) 492-1615.

Once the connection has been established, do the following:

1. In response to the terminal prompt
UCB ISN NETWORK
SELECT A RESOURCE:
Type CULINE and press RETURN.
2. The terminal will respond with
TRYING...
CONNECTED
You must press RETURN again.
3. When you receive the prompt
USERNAME
You again type CULINE,
and CULine will start up.

4. From the menu, choose
STUDENT ADMIN INFO
by moving the cursor down with the arrow keys and pressing RETURN.
5. At this menu, select
COURSE AVAILABLE
You will see your help and list options.

Adjusting Your Schedule at a Computer Terminal

- Computer terminals will be available in academic departments and the Coors Events/Conference Center the first week.

To make changes to your schedule (during the schedule adjustment period of January 13-31) at a computer terminal, go to *any* of the following computer terminal locations set up throughout campus after your time assignment begins. When adjusting your schedule at a computer terminal, you must have course numbers and section numbers; **call numbers are not used at computer terminals.** Refer to your completed schedule adjustment form.

FINAL SCHEDULE ADJUSTMENT

Take your schedule/bill, your completed schedule adjustment form, and a personal ID with you to a terminal.

If you want to make a **section change** or a **change of pass/fail, no credit, or variable credit status**, remember to make these changes at a central schedule-adjustment site. *This is for your own protection!* In order to make any of these changes over the phone or at an academic department, a course must be dropped and then immediately added. If you make these changes by phone, there is the possibility you won't be able to add the course once you have dropped it. Please make these changes at a central site.

Adjusting Your Schedule by Phone

You may drop and add classes via CU Connect any time after your schedule adjustment time assignment begins.

To adjust your schedule by phone, follow the same procedures you used to register (see the CU Connect Function Codes on page 9).

Remember: Whenever you drop a class, it goes into the central pool of classes and someone else may then add it.

Drop/Add Deadline

• *Friday, January 31, at 4:00 p.m.*

The deadline for dropping and adding classes for spring semester 1992 is **4:00 p.m., Friday, January 31**. After that time, no adds will be permitted unless there are extenuating circumstances, and no tuition adjustments will be made for dropped classes. Please make your changes early to avoid the deadline rush.

From February 1 through February 25 (4:00 p.m.), you must be passing a course to drop it, and a special action form must be completed by your instructor and turned in to the registrar's office.

Do not put off dropping a class! Courses dropped by January 31 will not appear on your CU transcript. Courses dropped after January 31 will appear on your transcript with the grade of *W*.

After February 25, you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). To drop a class after February 25, you must have your instructor's approval as well as the approval of your dean. Their signatures must be on your special action form or it will not be processed.

Deadline for Wait Lists

• *Deadline to sign up on for a wait list is Tuesday, January 28.*
• *Check with departments January 29-31 if you still want to enroll in a course.*

You will be able to place your name on wait lists through **Tuesday, January 28**. After that date, wait lists will be frozen.

If you still want a class as of January 29, **please check with the department offering the course.**

You *must* let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after January 28**. All department wait lists will be cancelled at 4:00 p.m. on Friday, January 31, the last day to drop and add classes.

Wait Lists—Important!

• *Check your schedule often using the list option (5#) to find out if you have been enrolled in a class.*

Remember to check CU Connect for your wait-list status. It's easy to do! Simply call CU Connect after your time assignment to list your schedule, or go to a terminal to check your status. If you forget that you are on a wait list and are placed in a class and do not drop it by January 31, **you may be charged tuition for the class, and you will receive an *F* if you do not attend.**

Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

Note on Dropping Courses

If you stop attending a course without officially dropping it, you will receive a grade of *F* in that course.

TUITION AND FEES

The following tuition and fees rates are in effect for the 1991-92 academic year. Tuition and fees are due by **Friday, January 24.**

You may drop off your payment at one of the tuition drop boxes in the lobby or at the north or south entrance of Regent Administrative Center or mail it via U.S. mail. There are penalties for nonpayment and for late payment. Please see page 19.

Graduate Student Additional Tuition

If you are taking other courses in addition to Master's Degree Candidate (6940-6949) or Doctor's Thesis (6950-6959 or 8990-8999), refer to the graduate tuition chart below for your assessment.

In-State: Students taking only Master's Degree Candidate (B Grad Status; course number 6940-6949) will be assessed

tuition at the following flat rate: Business or Engineering, \$471; Pharmacy, \$435; all others, \$420.

Students taking only Doctor's Thesis (E Grad Status; course number 6950-6959) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

Students registered as Approved Doctoral Candidate (D Grad Status) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

UNDERSTANDING TUITION AND FEES

Out-of-State: Students taking only Master's Degree Candidate (B Grad Status; course number 6940-6949) will be assessed tuition at the following flat rate: Business or Engineering, \$990; Pharmacy, \$807; all others, \$960.

Students registered as Approved Doctoral Candidate (D Grad Status) and those taking only Doctor's Thesis (E Grad Status; course number 6950-6959) will be assessed tuition at the following rate multiplied by the number of credit hours of enrollment: Business or Engineering, \$330; Pharmacy, \$269; all others, \$320.

Understanding Tuition Charges

- After January 31, there will be no tuition adjustment for courses dropped. However, tuition for classes added will be assessed and billed.
- A tuition surcharge is assessed for every credit hour over 18.
- Tuition for a no-credit course is the same as for a course taken for credit.
- Tuition for a 0 credit-hour course is charged at the rate of a 1 credit-hour class.
- Tuition for a nondegree student who has a degree is charged at the graduate rate.

Residency

If you're an out-of-state resident seeking in-state classification for spring 1992, you should turn in your residency petition by **4:00 p.m., December 31, 1991**, to the Tuition Classification Office in Regent 105, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007.

Petitions will still be accepted through January 17, 1992, but you are unlikely to receive a decision by the tuition payment deadline. Adjustments will be made when applicable.

Students submitting a completed petition by November 1, 1991, will receive a decision by the enrollment deposit refund deadline of December 31. If you are a financial aid recipient seeking in-state classification, be sure to submit your petition by November 1 to make sure your financial aid award is processed in time for spring semester.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 105, telephone (303) 492-6868.

Understanding Student Fees

UCSU Student Fees

Mandatory UCSU student fees (\$168.35) are considered as important as tuition and may only be waived due to extraordinary

circumstances. If fees are waived, students must still pay the base fee (\$33.18). Students who wish to petition for a waiver of UCSU fees must do so by **4:00 p.m. on January 31**. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. **Note:** Students covered by the student health insurance cannot have their full student fees waived.

All students taking one course of 5 or fewer hours will be assessed a **base fee** (\$33.18) and will receive a base-fees sticker for their ID. These students will not be allowed to use Wardenburg services or the Recreation Center unless they pay separate, one-time user fees or full student fees. Doctoral students taking thesis hours only, master's candidates for degree, approved doctoral candidates, and fifth-

year pharmacy students will be assessed only the base fee, unless they have the student health insurance.

Additional Fees

In addition, all students are assessed a nonrefundable \$4 **Student Information System fee**, and a \$10 **RTD bus pass fee**. The student RTD bus pass program was initiated during the 1991-92 academic year. The fee is \$10 a semester for all students and entitles you to free unlimited ridership, using your validated student ID, on local and express bus routes. To ride the regional routes you'll need to pay \$1 each time.

Also, students registered for 4 or more credit hours are assessed an **athletic fee** of \$33 each semester. A **student computing fee** was instituted in fall 1990. The fee provides basic computing and information services for students. Students enrolled for

6 or fewer credit hours are charged \$5; students enrolled for 7 or more credit hours are charged \$10.

Matriculation Fee

There is a one-time nonrefundable **matriculation fee** of \$15 for new degree students, which is assessed at the time of initial registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. Nondegree students who are admitted to degree status are assessed the matriculation fee at the time of their first registration after they have become degree-seeking students.

Enrollment Deposit

The \$200 **enrollment deposit** you paid for spring semester 1991 or as part of your confirmation of admission to CU-Boulder has been applied to your record. It will be held for you until you graduate or officially withdraw from the University within

established dates and guidelines (see page 19 for the "Withdrawal Refund or Assessment Schedule"). At that time, the deposit will be credited toward any outstanding financial obligations you have, and a refund will be mailed to you within approximately six weeks.

Student Health Insurance

All students enrolled for 6 credit hours or more will be assessed automatically for Option A of the **student health insurance plan**. During 1991-92, the fee is \$353 per semester for Option A and \$329 per semester for Option B.

Students may complete a waiver to remove this charge from their bill. Waivers must be turned in to Wardenburg Student Health Center by **January 24, 1992**, to be honored. (Waivers submitted in fall 1991 will extend through spring semester 1992.)

The plan provides first-dollar coverage for any eligible medical costs incurred at Wardenburg and provides 75 percent coverage after a \$200 deductible is satisfied at other medical facilities. However, students may use Wardenburg services without being enrolled in the University-sponsored insurance plan, by paying a fee for each service.

If you are taking one course of 5 or fewer semester hours, the University-sponsored health plan is available at the same price that full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. **Exception:** Approved doctoral candidates requesting student group insurance will be charged full price for the insurance, plus UCSU student fees of \$82.65.

PAYING YOUR BILL

To pay your bill, make out a personal check, certified check, or cashier's check to the University of Colorado. Make sure your name and student number are on the check. Mail the check with the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes in the lobby and at the north and south entrances of Regent. *Do not use campus mail.* The payment deadline is **4:00 p.m. on Friday, January 24.**

There will also be tuition-payment drop boxes at the deferred-tuition area in the Coors Events/Conference Center from January 13 through January 24.

Tuition Drop Box

• *New during the fall semester.*

There will be permanent drop boxes outside Regent Administrative Center at the north and south entrances. The new boxes will be available 24 hours a day, seven days a week, for you to drop off tuition payments, telephone payments, and any other bills owed to the Bursar's Office.

If you are using the U.S. Postal Service, please mail your payment early. The University must *receive* your bill by January 24. *Postmark dates are not honored.*

Tuition Payment Option—Deferred Tuition

If you have any doubt at all about being able to pay your full bill by January 24, apply for deferred tuition. With this option, you can defer payment of one-half your tuition and fee bill until **March 6.** Please be aware that the unpaid deferred balance will be subject to a 1 percent-per-month finance charge.

To take advantage of the deferred tuition option, you'll need to complete an application form at the southeast concession stand at the Coors Events/Conference Center **before January 24.** Hours are 8:30 a.m. to 4:00 p.m. except for Tuesday, January 14, when hours will be 8:30 a.m. until 7:00 p.m.

Failure to Pay in Full by the Deadline

University policy requires us to place a financial stop on your record if you fail to pay your full tuition and fee bill by March 6, 1992. This stop will prevent you from registering for any future terms, receiving your diploma, or receiving a transcript of your work at the University. Also, you may be withdrawn from the University for future terms.

A late payment charge, in addition to a service charge on the unpaid balance (1 percent per month), will be assessed according to the following schedule:

Balance Due	Late Charge
\$ 1-\$99.99	\$ 5
100-299.99	10
300-499.99	20
500-699.99	30

Personal Check Policy

Any student writing a bad check to the University may jeopardize future registration and may be subject to late charges and service charges. A \$17 returned check charge will also be assessed, in addition to the amount due to the University. The student may also be liable for collection costs and prosecution under the Colorado Criminal Statutes. CU-Boulder is a member of the Boulder Credit Bureau. Specific inquiries concerning reporting should be directed to the Student Debt Management section of the Bursar's Office.

Withdrawal Procedures

If you anticipate withdrawing from CU-Boulder, please do so officially. If you need to withdraw from spring semester 1992 before January 14, you can fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007. You may also withdraw by dropping all of your courses via CU Connect by **Tuesday, January 14.**

If you withdraw on or after the first day of classes (January 15), you must complete a withdrawal interview. The interviewer will discuss the procedures for withdrawing, as well as your reasons for leaving. You won't need to drop your classes; that will be done for you.

If you don't officially withdraw, a failing grade may be recorded for all of your classes. **Remember:** Deadlines and rules for withdrawing may vary with each college and school. Check with your dean's office.

WITHDRAWAL DATES	REFUND OR ASSESSMENT SCHEDULE
November 11-December 31	Full refund of enrollment deposit (<i>for continuing students only</i>). New, readmitted, and transfer students are not eligible for a refund.
January 1-31	\$200 in tuition and fees is assessed (enrollment deposit is applied to this charge).
February 1-14	40% of full tuition and fees is assessed.
February 15-28	60% of full tuition and fees is assessed.
February 29 and thereafter	No refund; 100 % of tuition and fees due.

FINANCIAL AID

If you register for a full-time course load and sign and return your financial aid award offer, your scholarship or grant will be applied automatically to your schedule/bill. Checks for the balance of financial aid funds will be available at the Coors Events/ Conference Center, **January 13 through January 24, 8:30 a.m. to 4:00 p.m.** (until 7:00 p.m. on Tuesday, January 14). Beginning January 27, you may pick up your check at the Bursar's Office in Regent. *Checks for the balance of funds will not be mailed.*

Perkins Loan

If you are awarded and accept your Perkins Loan and sign your promissory note, your Perkins Loan will be applied to your bill. If you did not sign the promissory note, you may do so at the Coors Events/Conference Center January 13 through January 24, 8:30 a.m. to 4:00 p.m. (or until 7:00 p.m. on Tuesday, January 14).

Beginning January 27, you may sign your promissory note at the Bursar's Office. If you have questions about Perkins Loans, call (303) 492-8921.

Emergency Short-Term Loans

Emergency short-term loans are for students who demonstrate they are unable to meet their educational expenses.

To qualify, students must be at least 18 years of age, be enrolled at least half-time on the Boulder campus (SAVE and continuing education students are not eligible), and must present a photo ID. All loans must be backed by financial aid or have a co-signer who is either a faculty or staff member or a student at Boulder. The maximum amount that can be borrowed is \$350.

Emergency short-term loans are available through the Office of Financial Aid.

Stafford Loans

If you are an undergraduate student in the first year of your program and are borrowing a Stafford or SLS loan for the first time at CU-Boulder, your check will be held until 30 days of the semester have passed. Plan accordingly so you will have sufficient funds to pay your bills by the deadlines.

If you are a continuing student and have had a previous Stafford Loan, you may pick up your loan check as soon as it arrives. Pick up your check in person at the southeast concession stand in the Coors Events/Conference Center from January 13 through January 24, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, January 14).

Due to federal regulations, certain restrictions regarding availability of checks have been established. If you are borrowing a Stafford Loan or a Supplemental Loan to Students (SLS) for the first time at CU-Boulder, you are required to attend an entrance interview before you can receive your check.

Reasonable Academic Progress

In order to receive financial aid, you must maintain reasonable academic progress toward a degree. The policy is published in a fact sheet and is available at the Office of Financial Aid, Environmental Design, room 2.

Veterans Benefits

If you are entitled to veterans benefits, it's important that you write or call the Veterans' Affairs Office, UMC 165, Campus Box 209, CU-Boulder, Boulder, CO 80309-0209, (303) 492-7322.

OTHER REGISTRATIONS

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these special registrations, please call the number listed in that section.

Concurrent Registration

- *Obtain forms in Regent 105 beginning January 6.*

If you plan to take at least one course at CU-Boulder in the spring but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Concurrent registration forms and instructions will be available at the registrar's office in Regent 105 beginning January 6, from 9:00 a.m. to 4:00 p.m. You cannot register concurrently until *after* schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all classes. For information, please call (303) 492-6970.

High School Nondegree Registration

If you are a local high school student with an outstanding academic record, you can enroll at CU-Boulder and the credit you earn can be applied to your high school graduation or to college-level transfer credit. Registration is carefully guided and

must take place in person. Please call the Office of Admissions at (303) 492-6301 for further information.

Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Please check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

On-Campus Registration

- *Deadline to register is January 9.*

Students who are not required to attend an orientation and who have not received registration materials for spring before January 8 may pick up registration materials in Regent 105 on January 9 between 9:00 a.m. and 4:00 p.m. Telephone registration must be completed by 10:00 p.m. on January 9. This registration does not apply to students who must attend a required orientation program. For more information, call the Registrar's Office at (303) 492-6970.

Registration for Faculty and Staff

All permanent faculty and staff members at CU-Boulder may take 1 to 6 free credit hours each year. The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time employment status. Enrollment is usually held on a space-available basis in conjunction with late registration (beginning January 14), unless the faculty or staff member wishes to register early. In that case, registration takes place via CU Connect before January 9, and full tuition and fees are charged.

Faculty and staff members who wish to take a course as nondegree students will need to take a copy of their current personnel action form and a nondegree student application to the Bursar's Office, Regent 150, by **December 31, 1991**. Office hours are 9:00 a.m. to 4:00 p.m. (Faculty and staff who are enrolled as nondegree students on the Boulder campus during fall semester 1991 will be set up automatically for spring 1992, although application for free credit hours must be made separately each semester.)

Student activity fees will *not* be charged if registration takes place during final schedule adjustment, with the exception of the \$4 Student Information System fee that every student must pay and the student computing fee of \$5 or \$10 (depending on the number of credit hours taken). In addition, a new RTD charge of \$10 will be assessed of **all** students, including faculty and staff registered as students.

Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call (303) 492-4369.

Space-Available (SAVE) Registration

Boulder campus classes may be taken by nondegree students on a space-available basis. Registration takes place at the Coors Events/Conference Center, January 16-17. To be eligible, students must *not* have been refused admission to a degree program, must have a minimum 2.00 GPA at all institutions, and owe no debts to any CU campus. Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment. For more information, call Continuing Education at (303) 492-5148.

More information on the following academic policies can be found in the *Student Handbook* and in the *University of Colorado at Boulder Catalog*.

Academic Integrity

A university's intellectual reputation depends on the maintenance of the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado at Boulder.

Breaches of academic honesty include cheating, plagiarism, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

Cheating may be defined as using unauthorized materials or giving or receiving unauthorized assistance during an examination or other academic exercise.

Plagiarism may be defined as the use of another's ideas or words without the appropriate acknowledgment.

Sanctions. Breaches of academic honesty result in disciplinary measures that may include a failing grade for a particular assignment or course, suspension for various lengths of time, or permanent expulsion from the University.

Breaches of academic honesty are under the purview of each college and school pursuant to the Laws of the Regents, Article V, Section C. For further information and for individual college and school policies, consult with your dean's office.

Academic Standing

To be in good undergraduate academic standing at CU-Boulder, you must

maintain a 2.00 GPA (*C* average) or better. If you cannot maintain this average, a scholastic stop may be placed on your registration. Graduate students are expected to maintain a 3.00 GPA (*B* average) or better.

Please check individual college and school policies in the University catalog for information on specific GPA requirements and on scholastic stops.

Final Examination Policy

See page 25 for the final examination schedule.

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the *Registration Handbook and Schedule of Courses* each semester. While it may be appropriate to not give a final examination in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students must assume that a final examination will be given.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible educational experience for students.

1. The scheduled final examination period is considered an important part of the course and should be used as a final examination period or for additional instruction.
2. The final examination in a course must be given as scheduled and not at other times, even if the faculty member and all students in a course agree to a schedule change.
3. The week of classes preceding the scheduled final examination period should

be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies, provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. **Such arrangements must be made no later than the end of the sixth week of the semester (i.e., at the end of the drop period).** Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors are not exempted from final examinations.

Grade Reports

Your fall semester 1991 grades will be sent to your *local mailing address* approximately three weeks after the end of finals. If you wish your grades to be sent to another address, please come to the Office of the Registrar and designate a different mailing address before the end of the semester.

Graduating Students— Commencement

If you're planning to graduate this coming year, please check with your college or school dean's office for graduation application deadlines and notification procedures. Some colleges and schools require consultation in the semester *preceding* the semester of graduation.

ACADEMIC MATTERS

Rights and Privacy— Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory" information. Such information may be released to anyone unless students inform the Office of the Registrar that they do not wish the information released.

Directory information includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information, you must go to the Office of the Registrar **before January 30** to request that directory information about you be withheld. Once requested, nondisclosure of directory information will remain on your record until you are no longer enrolled at the University or you request removal of the privacy status.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and at the Office of the Registrar, Regent 105. For further information, call (303) 492-6907, and ask for the records supervisor.

Student Conduct

The University of Colorado at Boulder has established a code of conduct that draws upon certain philosophical concepts central to the general welfare of the University community. The University is committed to maintaining the campus community as a place of study, work, and

residence free from abuse, intimidation, and harassment, where everyone is treated with respect and courtesy. Thus, students must accept responsibility to respect the physical welfare of all persons in the University community; to maintain an atmosphere conducive to education and scholarship; to keep property that belongs to the University or to members and guests of the University community from misuse or harm; to respect the personal safety and individual rights of all in the University community; to conduct themselves in accordance with accepted standards of social behavior; to refrain from any conduct that is injurious towards the welfare of the University community; and to abide by the regulations of the University and the laws of the city, state, and nation while on University-owned and controlled property (University premises).

It is imperative that students become thoroughly familiar with the "University

Standards of Conduct and Misconduct Subject to Disciplinary Action" in order to fully understand their responsibilities as members of the University community and to avoid jeopardizing their relationship with the University.

Any time that students have questions regarding the application of the code of conduct, or feel that another person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to contact the Office of Student Conduct, Willard 223, (303) 492-5550.

WHAT'S PLAYING AT THE MOVIES?

Which movie should you go to? Where is it playing? What time? All these questions are easily answered each week in the Colorado Daily's Movie Page. The Movie Page runs each Friday in Weekend Entertainment.

Along with the movie page on Fridays, the Colorado Daily also lists the movies in the What's Happening section of the paper Monday through Thursday.

UNDERSTANDING COURSE LISTINGS

The following course listings now run the length of the entire two-page left column and the entire two-page right column. The abbreviations at the top of each page include:

Call No.—The five-digit number, specific to a particular term, used for requesting a specific section of a course via CU Connect.

Dept.—The department name, abbreviated to four letters.

Course No.—The four-digit number used to identify the course.

Credits—The number of credit hours for the class.

Course Title—Often abbreviated. Refer to the catalog for the complete title and course description.

Section No.—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an **R** precedes the section number, it indicates that the section is a recitation (rec); when an **L** precedes the section number, it indicates that the section is a laboratory (lab). When a recitation or lab section is indicated, it must be taken in addition to the lecture. Some classes have all three: lecture, lab, and recitation.

Time/Days—Meeting time and days of the class (T is Tuesday, R is Thursday, and U is Sunday).

Bldg./Rm.—The building name and room number (see the following list for building abbreviations).

Instructor—The instructor's name, when available.

Max. Enroll.—The maximum number of students allowed to enroll in the course.

Additional course notes may be inserted into each course listing, as needed.

When a course has a prerequisite and/or a corequisite, a note (in italics) appears just after the course title.

Remember: Some courses you select may not be available to you because of college or school restrictions or because of class-size limitations. Should this be the case, CU Connect will inform you with an appropriate message.

Understanding Course Numbers

Courses are numbered according to the following guidelines:

1000-2999	Lower-division courses generally appropriate for freshmen and sophomores.
3000-4999	Upper-division courses primarily for juniors and seniors.
5000-5999	Courses primarily intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual professors).
6000-8999	Courses open to graduate students only; see individual department offices for special provisions.

III. University Mathematics Program

Module Courses

MATHEMATICS COURSES NUMBERED 1000-1100 ARE ONE-CREDIT FLEXIBLY PACED MINI COURSES, OR MODULES. SEVERAL MODULES MAY BE GROUPED TOGETHER TO FORM COMPLETE COURSES OF INSTRUCTION IN COLLEGE ALGEBRA, TRIGONOMETRY, AND MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES. STUDENTS WILL NORMALLY REGISTER FOR A COMPLETE GROUP OF MODULES IN THE DESIRED SUBJECT-AREA. IN THE MODULE PROGRAM, LEARNING IS INDIVIDUALLY PACED, WITH MULTIMEDIA INSTRUCTIONAL SUPPORT. OPTIONAL LECTURE SCHEDULES AND COMPLETE DETAILS OF THE MATHEMATICS MODULE PROGRAM ARE AVAILABLE AT THE MATH MODULE OFFICE, ECST 0-03. PHONE NUMBER IS 492-2317. MATH 1000, 1010, AND 1020 ARE SELF-PACED MODULES IN COLLEGE ALGEBRA. THESE THREE COURSES TOGETHER FORM THE EQUIVALENT OF A ONE SEMESTER (3 CREDIT HOUR) COURSE IN COLLEGE ALGEBRA.

	MATH 1000 1	FUNDAMENTAL/COLL ALGEBRA		PREREQ ONE YEAR OF HIGH SCHOOL ALGEBRA, OR PLACEMENT EXAM SCORE. PICK UP INFORMATION PACKET AND SCHEDULE OF OPTIONAL LECTURES AT MATH MODULE OFFICE, ECST 0-03.			
56147			001	TBA			1500
	MATH 1010 1	TECHNIQUES/COL ALGEBRA		PREREQ MATH 1000 OR PLACEMENT EXAM SCORE. PICK UP INFORMATION PACKET AND SCHEDULE OF OPTIONAL LECTURES AT MATH MODULE OFFICE, ECST 0-03.

University Writing Program

ADVISORY TO STUDENTS IN THE COLLEGE OF ARTS AND SCIENCES: THE WRITTEN COMMUNICATION REQUIREMENT WILL NO LONGER BE SATISFIED BY TAKING THE ONE-CREDIT COURSE UWRP 2990. THE UWRP 2990 COURSE WILL BE REPLACED BY A THREE-CREDIT, UPPER-DIVISION SEMINAR. SUPPLEMENTAL INFORMATION ON A NEW COURSE NUMBER, COURSE TITLES, MEETING TIMES, AND ROOMS IS AVAILABLE AT ARTS AND SCIENCES ADVISING AND THE UNIVERSITY WRITING PROGRAM OFFICE.

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 1000-LEVEL, YOU SHOULD ENROLL IN A SECTION OF UWRP 1150 WHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY WRITING PROGRAM. SHORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER DIRECTED WRITING (UWRP 1050), EXPOSITORY WRITING (UWRP 1150), OR ARGUMENTATIVE WRITING (UWRP 1250) ACCORDING TO THE FOLLOWING GUIDELINES: 1. IF YOU HAVE PREVIOUSLY TAKEN AND PASSED, WITH AT LEAST A C, A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN THE NEXT HIGHER COURSE. (FOR EXAMPLE, IF YOU HAVE TAKEN AND PASSED UWRP 1150, YOU WILL BE PLACED IN UWRP 1250.) HOWEVER, FOR THE PURPOSE OF ADVISING, YOU WILL BE REQUIRED, DURING THE FIRST DAY OF CLASS, TO WRITE DIAGNOSTIC ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL. 2.

IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN A COURSE APPROPRIATE TO YOUR SKILL LEVEL, AS DETERMINED BY TWO DIAGNOSTIC ESSAYS THAT YOU WILL BE REQUIRED TO WRITE DURING THE FIRST DAYS OF CLASS. PLACEMENT WILL BE COMPLETED BEFORE THE END OF THE DROP/ADD PERIOD. IF YOU DO NOT WRITE BOTH DIAGNOSTIC ESSAYS, YOU WILL BE ADMINISTRATIVELY DROPPED FROM THE COURSE.

Electrical and Computer Engineering

MOST ELECTRICAL AND COMPUTER ENGINEERING UNDERGRADUATE COURSES ARE CLOSED TO NON-ENGINEERING MAJORS. CONSULT THE DEPARTMENT OFFICE IF YOU HAVE QUESTIONS. INDEPENDENT STUDY COURSE WORK IS AVAILABLE. PLEASE CONSULT THE DEPARTMENT OFFICE FOR FURTHER INFORMATION. THIS DEPARTMENT USES AUTOMATIC WAIT LISTS. (SEE "USING A WAIT LIST" IN THE FRONT OF THIS SCHEDULE.) GRADUATE STUDENTS NEEDING TO REGISTER FOR MASTER'S THESIS, MASTER'S DEGREE CANDIDATE, OR DOCTORAL THESIS, PLEASE CONSULT THE DEPARTMENT GRADUATE OFFICE FOR FURTHER INFORMATION. UNDERGRADUATES MUST HAVE A GPA OF 2.85 OR BETTER TO ENROLL IN GRADUATE LEVEL COURSES.

SCHEDULE ADJUSTMENT FORM

This form must be filled out before dropping and adding at a terminal. List all adds, drops, section, and grade-type changes you are requesting. (Also list all of your alternate choices.) Drop/add assistants will only enter written requests. If your requests are not written on this form, you will have to drop or add those classes at another time. Course call numbers cannot be used at a terminal, but you may want to list them for future use on CU Connect.
