**REGISTRATION HANDBOOK  
AND SCHEDULE OF COURSES**

## WELCOME

It is a pleasure to welcome you to a new semester at the University of Colorado at Boulder. As this *Registration Handbook and Schedule of Courses* demonstrates, this is a special campus with unique opportunities for you, our students. Whether in the classroom, laboratory, or studio, you will be working with many of the best faculty members in their disciplines. They have much to offer, and I hope you will be receptive to their experience and knowledge.

In addition, I hope you will take advantage of the many courses outside your immediate discipline, for citizenship in the next century will require a broad understanding of issues and problems throughout the world. That understanding, in turn, will necessarily entail knowledge in history, the social sciences, the arts and humanities, and the physical sciences. Never before have the demands of informed citizenship been so comprehensive. The University of Colorado at Boulder wants to assist you in meeting those demands.

This, then, is a time of unique opportunity for you. I urge you to be open to the power of learning, for it will serve you throughout your lives.

Please know of my best wishes for a successful and enjoyable semester.

Sincerely,

James N. Corbridge, Jr., Chancellor

---

We in the registrar's office are proud to publish this spring 1994 edition of the *Registration Handbook and Schedule of Courses*. This is the official publication of the registrar's office, and we are happy to make it available to you. We hope you will refer to it throughout the semester.

Several new services will be premiered during spring semester 1994. For example, we have been working to make student information available to you through more immediate electronic channels. Now, final grades will be available on CU Connect and CUline-PLUS, and you will be able to access your accounting and enrollment records on CUline-PLUS.

For many students, a degree audit or core-curriculum audit will be available by the end of the fall 1993 semester. At that time, check CUline-PLUS for a display of your degree audit or to see if one is available. Degree audits will become a useful record of progress toward your degree and a helpful advising tool for you and your advisor.

Our cover is a reproduction of original student art. This work was selected from over 100 entries in the annual student art contest. A profile of the artist and her work appears on page 2.

We are making every attempt to keep advertising balanced with the content and purpose of the publication. The advertising subsidizes much of the cost of the publication and allows us to provide a quality publication free to students. We hope you will patronize the advertisers in the handbook and let them know you saw their ads here. We also want to note that all pages of the handbook, both cover and interior pages, are printed on recycled paper.

We are interested in the continuous improvement of our publications and tools for registration. Please feel free to comment or offer suggestions on this *Registration Handbook and Schedule of Courses*. Our location and phone number are listed in the directory on page 32.

Best wishes for a successful spring semester at CU!

William R. Haid, Registrar and Director of Enrollment Services

## STUDENT ART CONTEST

**S**usie Gunn is the winner of the *Spring 1994 Registration Handbook and Schedule of Courses* cover art contest. She is from Ann Arbor, Michigan and is an undergraduate student majoring in painting in the Department of Fine Arts.

Susie uses mythology and historical symbolism in her artwork to reinterpret the meaning of objects and images. Using ancient and modern icons, she creates artwork that reaffirms feminine spirituality by encouraging the rediscovery of archetypal female experience.

Her artwork, entitled *Spiral*, is unique from her other work in that it is three-dimensional. It was made using over 1500 "worry dolls," handmade in Guatemala from paper and colorful indigenous cloth. Susie states, "These small figures are tokens of good luck because they have the magical ability to absorb one's troubles." She feels that the dolls, the circular form, and an element of mystery allude not only to women and their arts, but to the interconnectedness of all people.

Susie is currently supplementing her portfolio for admission into a Master of Fine Arts program.

**T**his *Registration Handbook and Schedule of Courses* (RHSC) contains all the information you need to register for spring 1994, to adjust your schedule, and to pay your bill. Only if policies or procedures change will you receive further information. Please keep this handbook with you throughout the semester. You'll receive one free copy of the handbook before registration. Additional copies may be purchased from the CU Bookstore for \$1.25.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time, *all information is subject to change*. Changes may occur at any time in course meeting times and days or in

University, college, or school policies. In addition, classes may be cancelled at any time. It is your responsibility to be aware of such changes by consulting departmental advisors, checking departmental materials, and reading all of your registration materials carefully.

All pages of this handbook, both cover and interior pages, are printed on recycled paper.

You can now find out your position on a wait list when you call CU Connect to list your schedule (in the evenings, 8:00 p.m. to 10:00 p.m., Monday through Friday with the exception of 8:00 p.m. to midnight January 10-14, and Sundays, 11:00 a.m. to 9:00 p.m.). Wait-list positions will normally be updated nightly. To list your schedule, press 5# (see the instructions on your confirmed registration form). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) will be announced when you list your schedule. Please note: CU Connect will not tell you what "type" of wait list you're on. Please refer to page 17 for more information on wait lists.

#### VERIFICATION OF NO CREDIT AND PASS/FAIL STATUS

If you choose the no credit or pass/fail option for a course when you're registering for the course, CU Connect will verify the grading option chosen. If you change the grading option at a later date, you can list your courses (press 5#), and you'll hear if you're enrolled for a course with a pass/fail or no credit grading option.

### GRADES VIA CU CONNECT

You can now access any semester's grades (since summer 1988) by telephone. Just call CU Connect at (303) 938-8110 during regular hours of operation (see page 15) and enter the following information when prompted:

- the "grade" action code (5003)#
- the term code #

(The first two digits=YEAR and the last digit=TERM [1=spring semester, 4=summer semester, and 7=fall semester]; so, for example, the term code for fall semester 1993 is 937)

- your University student number #
- your PIN #

When grades have been released at the end of the semester, you will be able to access your grades according to the following schedule for fall and spring semesters, 1993-94.

### CULine-PLUS: Accessing Your Record On-Line

With your University student number and PIN (personal identification number), you can now access the following information on CULine-PLUS (Personal Look Up Service):

- *your grades for the two most recent terms*
- *degree program information (primary and secondary college, major, and class standing)*
- *registration status (advising requirements and registration time assignment)*
- *your class schedule for the current term, the two most recent terms, and all future terms for which you have registered*
- *current semester billing and financial aid information*
- *current mailing address*

You will not have access to any other students' records, only your own.

You can access CULine-PLUS at any terminal on campus dedicated to CULine. These terminals are located in the lobby of Regent Hall, the UMC, Norlin Library, College of Business, Fleming Law, College of Music, the Recreation Center, the Engineering Center, and most residence halls. Computing labs in Business, Engineering, Ketchum, Muenzinger, Norlin, and Physics also have CULine access.

## WHAT'S NEW?

To access CULine-PLUS, choose PLUS from the main menu and follow the instructions.

Federal privacy laws and University policies guarantee your right to access your own data and protect this data from unauthorized access by others. Unauthorized access can result in student conduct disciplinary actions and/or civil and criminal proceedings. The University will provide reasonable physical and electronic security for this data, but it is up to you not to compromise the security of this information. If you feel that your new PIN is not secure, please contact the registrar's office in Regent 105, and another PIN will be assigned to you.

### Helpful Tidbits

#### SPECIAL ASSISTANCE AVAILABLE

We can offer personal registration assistance to Spanish-speaking students, students with a disability, and students from foreign countries who may not be familiar with the telephone registration procedure. If you have a special need regarding registration, please feel free to call our office at 492-6970 or visit us at Regent 105.

#### ADJUSTING YOUR SCHEDULE

When you go to an academic department after the semester begins, you can do all of your drop/add activity for any department or any college at that location. (See pages 31-32 for a list of locations and pages 20-22 for more information on schedule adjustment.)

When you adjust your class schedule at a computer terminal, the computer operator cannot use call numbers to find, drop, or add courses. It is important that you give the computer operator the four-letter subject abbreviation, the four-digit course number (not the call number), and the three-digit section number.

#### GRADUATION

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures. Some colleges and schools require you to come in for a consultation in the semester pre-

ceding the semester you plan to graduate. To determine the graduation policy of your college or school, please check with your dean's office.

#### PROFESSOR PERFORMANCE GUIDE

Information published in the *Professor Performance Guide* is the result of the *Faculty Course Questionnaires* completed by students each semester. The publication is available during registration and can help you decide which courses and instructors to choose. The questionnaire is distributed in classes during the last two weeks of the fall and spring semesters and gives students a chance to evaluate the instructor and the course. The compiled data are also listed on CULine.

For more information, call the UCSU Academic Affairs Director, 492-7473. If the questionnaire is not distributed in your class, contact the Office of Research and Information, 492-7069.

### Receive Your Schedule/Bill

- Students who register by December 23 will receive their schedule/bill and ID validation sticker in the mail. These are

mailed to your permanent address. Affix your ID validation sticker to your CU-Boulder photo ID and pay your bill by January 21.

- If you make significant changes to your class schedule after receiving it, or you need another copy, you can get a printout of your class schedule/bill on January 10-11 at the Coors Events/Conference Center, conference level. (See page 19 for more information.)
- If you need to pick up your schedule/bill on January 12-14, go to the concourse level (upper level), Coors Events/Conference Center. On January 18 and thereafter, pick up your schedule/bill and ID validation sticker at Regent, room 1B60 (see page 19).

### Make Final Adjustments

  - Complete the schedule adjustment form on page 115 of this handbook (pages 110-111 are the schedule planning worksheets).
  - Adjust your schedule via CU Connect according to the schedule adjustment (drop/add) time assignment schedule printed on page 20. Go to a computer terminal in an academic department (see pages 31-32), or go to our central drop/add site at the Coors Events/Conference Center, January 10 through January 14, or go to Regent, room 1B60, thereafter.

### List Your Schedule

- List your schedule often via CU Connect if you are on a wait list to see if you have been enrolled in the course.

## GENERAL REGISTRATION INFORMATION

**B**efore you register, please read the following information. Many of the questions you may have about registration procedures are answered here. The information is listed in alphabetical order.

### Addresses—Very Important!

- *Keep your addresses updated!*
- *Check your addresses on your invitation to register.*

Throughout your time as a student, we will mail important registration materials to you. Therefore, it is extremely important that you keep your addresses updated at all times.

Three addresses on your student record must be kept current if important mailings are to reach you: Your mailing address, your permanent address, and your summer address.

Your **mailing address** is your address in Boulder during the school year, *e.g.*, the residence hall, apartment, or house where you live during the fall and spring semesters. This is the address where your invitation to register for each semester will be mailed.

Your **permanent address** most often is your parents' or guardians' residence, *e.g.*, the place you call home during the time you are not attending school. This is the address where your schedule/bill and ID validation sticker will be mailed.

Your **summer address** is your address from the end of the spring semester to the beginning of the fall semester.

Please note that you can have a number of address combinations: A different address for mailing, permanent, and summer; or the same address for any two or all three of these categories.

You may look up any of your addresses on Culine and fill out a change of address form at the Office of the Registrar in Regent 105 or in the Financial

Aid Office. You can also call (303) 492-6581 to update your address(es). Note that these addresses are only reflected on the Student Information System (SIS). Other offices, such as the Library, Housing, and Wardenburg, have separate address systems and changes should be made there as well.

### Advising

- *Check your invitation to register for advising requirements!*
- *Please see pages 31-32 for academic advising locations and phone numbers.*

Some CU-Boulder colleges and schools require that you consult with an advisor before registering for courses. A code is set on SIS that will prevent you from registering until you have seen an advisor. If you receive such a message on your invitation to register (see page 35 for a sample invitation) or when calling CU Connect, and you are an arts and sciences or an engineering student, call your faculty advisor, your major department, or your dean's office to make arrangements for advising. If you are a student in any other college or school and you receive an advising message, you should call your dean's office.

After you have been advised, the code on the computer will be removed by the advisor or the staff in the department or dean's office, and you may then call CU Connect to register.

If you need help in planning your schedule, check with your college or school's dean's office, or your major department office, and make an appointment to see an advisor. Some colleges, such as arts and sciences, hold workshops for students on general education requirements (core curriculum and college list). Also, the Advising Resource Center has advisors on call to help those of you who are "open option" students or are thinking of changing your major. And the Office of Peer Counseling in Willard is avail-

able to help all students with both academic and personal concerns.

### Changing Your Major

- *Request this change at your new department!*

If you would like to change your major or declare a major before you register, go to that department and ask about the required procedures. Your change will be entered onto the computer system when it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT). Please see that section on page 13.

### Controlled Enrollment and Independent Study Courses

- *You must receive permission from the department before registering for these courses.*

If you are interested in taking a course with a 760-799, 800-, or 900-level section number, you will need to contact the department for permission and for the five-digit course call number before you register. Enrollment in these courses is limited by each department.

Beginning Monday, January 10, controlled enrollment and independent study courses may only be added for you by department staff members or via a special action form (obtained from the academic department), which must then be brought for processing to the registrar's office or to a central drop/add location.

### Class Standing

Undergraduate class standing is based on the total number of semester hours passed, as follows:

|           |       |
|-----------|-------|
| Freshman  | 0-29  |
| Sophomore | 30-59 |
| Junior    | 60-89 |

## GENERAL REGISTRATION INFORMATION

Senior 90-123  
5th Year Senior 124 and above

### Course Reservation Program

The course reservation program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a class and enroll in that class for the next semester before the next registration period begins.

Most courses included in the course reservation program are undergraduate core curriculum courses that are being offered by the College of Arts and Sciences. You will be eligible to participate in the course reservation program for fall 1994 if your name is on a wait list for one of these courses as of January 7, or if you add your name to the wait list after the beginning of the semester and you remain on the wait list through January 28. (All restrictions that are placed on the course for the following semester will be honored, and you must clear up any "stops" before registering.)

If you are eligible to participate in the program, you will receive a letter in March inviting you to register for the course, March 28-31. You will register for all other courses during your regular registration time assignment.

### Credit-Hour Limits

- Undergraduates may request a maximum of 19 hours of course work during registration.
- Undergraduates may request a maximum of 21 hours of course work during final schedule adjustment.

Undergraduates can only request 19 hours of course work during registration (15 hours for graduate students and 16 hours for law students), including wait-listed courses. Once you have completed your registration, you should check with your college or school to determine the maximum

number of credit hours that can be counted toward your degree each semester. Remember that 12 hours is considered a full-time undergraduate student load for financial-aid purposes.

Undergraduates will be allowed to register for up to 21 hours (including wait-listed courses) during final schedule adjustment.

### Credit Options

- You do not receive grades for no-credit courses; however, you still pay full tuition.
- You can make credit-option changes throughout the registration and schedule adjustment period.
- Courses taken for no credit or pass/fail cannot apply towards a graduate degree.

**No Credit.** You can select classes on a no-credit basis (an *NC* will appear on your transcript in place of a grade) during registration or schedule adjustment. When you register by telephone for a course and select the no credit option (see page 111 for instructions), CU Connect will verify the grading option chosen. However, you will still pay full tuition for the course. Please check with your college or school for policies on no-credit status and how it may be used.

**Pass/Fail.** You will be able to select classes on a pass/fail basis throughout registration and schedule adjustment. Please check with your college or school; there are restrictions on the number and the types of courses that can be taken pass/fail. When you register by telephone for a course and select the pass/fail option (see page 111 for instructions), CU Connect will verify the grading option chosen.

Once you have signed up for a course on a pass/fail basis, it is not noted so on rosters or final grade lists, and your instructor should not be notified that you are taking the course pass/fail. You will be assigned a grade for the class. A grade of

*D-* or above is automatically converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your grade point average; a grade of *P* is not counted.

**Note:** Should you decide you want to change the status of a course from, or to, either *P/F* or *NC*, please make the change in the registrar's office or at the central drop/add location. By filling out the change form there, you will not jeopardize your enrollment in the course. If you do this change by telephone, you will not be able to reenroll in the course if it is closed or a wait list exists for the course.

**Variable Credit.** When requesting a variable-credit course (one with a range of minimum and maximum credits), you need to decide how many credits you would like to receive in that course. Indicate this when prompted by CU Connect. You can change how many credits you would like to receive for the course throughout registration and schedule adjustment.

### Directory Information

- Come to the registrar's office by January 28 to have directory information withheld.

The Family Education Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, certain information is considered public or "directory" information. Such information may be released to anyone, unless you inform the Office of the Registrar that you do not wish the information released.

Directory information includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, enrollment status, (full-time or part-time), degrees and awards received, educational institutions attended, and weight and height of athletes.

## GENERAL REGISTRATION INFORMATION

To prevent release of directory information, you must go to the Office of the Registrar by **January 28** to request that it be withheld. Once requested, nondisclosure of directory information will remain on your record until you are no longer enrolled at the University, or until you request removal of the privacy status. This prevents us from releasing any information to anyone (including the student) over the telephone. However, you will be able to access grades and other information available on CU Connect or CULine.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and at the Office of the Registrar, Regent 105. For further information, call (303) 492-6907, and ask for the records supervisor.

### Double-Degree Programs

• *If you are working on two degrees, verify that we have this information.*

If you are working in a double-degree program (for example, obtaining one degree from arts and sciences and one from business), you should check to see that both degree programs are entered on the invitation to register you receive in the mail. If both colleges are not recorded, you may not be able to register for required classes during registration. If you have questions concerning your double-degree program, check with one of your dean's offices.

### Help Line

If you are having any problems with telephone registration, call our help line at (303) 492-1033. This number has prerecorded registration information available 24 hours a day. To speak with a registration staff member, call between 9:00 a.m. to noon, or 1:00 p.m. to 4:00 p.m., Monday through Friday, during the registration period.

### Intraniversity Transfer (IUT)

• *Check with the dean's office of your desired college or school for admission criteria.*

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted into the new program. If you are not able to register for some courses because you have not yet been accepted, you may change your schedule during final schedule adjustment.

### Parking Permits/ Bicycle Registration

For permit information, call 492-3550; for any parking questions, call Parking Services, 492-7384.

### BICYCLE REGISTRATION

Registering your bike is mandatory on campus. Spring bike registration begins January 10 at the bike kiosk (between Imig Music and Cheyenne Arapahoe Hall) Monday through Friday, 9:30 a.m. to 2:30 p.m. and continues there throughout the semester. For further information, call 492-2322.

### Photo IDs

• *Located in UMC 25 and open between 11:00 a.m. and 4:00 p.m.*

Your validated CU-Boulder photo ID is an important identification card to carry with you. It signifies that you are a currently registered student and allows you to use University services and facilities.

The Photo ID Office is located in the UMC, room 25, across from the Bookstore.

To have a CU-Boulder photo ID made, go to the Photo ID Office, Monday through Friday, between 11:00 a.m. and 4:00 p.m. On January 6, 7, 10, and 11, the Photo ID Office will be open from 8:30 a.m. to 4:00 p.m. On January 12, regular office hours of 11:00 a.m. to 4:00 p.m. will resume.

You must have some other form of picture ID with you when you go to have your student ID made. Your initial ID is free, but there is a \$10 charge for replacement IDs. (Continuing education and SAVE students do not receive an initial free ID; these students are charged \$10 for an ID. However, SAVE students who choose to pay fees will receive a free CU photo ID.)

## GENERAL REGISTRATION INFORMATION

CU-Boulder photo IDs and ID validation stickers are not transferrable. Any person who uses the CU-Boulder photo ID or ID validation sticker of another student or allows his or her validated ID to be used by another student may be subject to disciplinary action. The Photo ID Office will only give out ID validation stickers when issuing a new or replacement photo ID. Replacement ID validation stickers (\$2.00) will only be available from Regent 105.

### Special Services Form

- *Continuing students must turn in this form to obtain the registration handbook.*

This form, which allows you to choose special services such as the yearbook, tickets for the Artist Series, and Career Services programs, must be turned in to complete your registration. You do not have to choose any of the services, but completion of the form is a required part of the registration process.

If you are a continuing student, you must fill out the special services form before you can pick up a copy of the *Registration Handbook and Schedule of Courses*. The special services form will be available during the handbook distribution period.

If you are a new or readmitted student, you will receive the special services form in the mail or at orientation (for those students who are required to attend orientation) as part of your registration materials.

If you have not yet completed the form, please follow the instructions for filling it out, sign your name, and mail it via U.S. mail or campus mail. You may also drop it off at the Office of the Registrar, Regent 105.

### Stops on Your Registration

- *Check your invitation to register for stops!*

When you call CU Connect, you may get a message that you have a "stop" on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters. You will not be allowed to register until all stops have been cleared. Most often, you will know about a stop before calling CU Connect, because a message will be printed on your invitation to register. (See page 35 for a sample invitation.) However, stops can occur at any time in the registration process, so you should make it a point to know the status of your student record.

If you have a financial stop, which indicates unpaid University debts, you may be withdrawn from your classes if you fail to pay your bills. Please check with the Bursar's Office in Regent 150, (303) 492-5381.

### Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you return, providing you meet registration and deposit deadlines. An application fee of \$30 is charged. More information is available from the Office of the Registrar, Regent 105, (303) 492-8673.

**Note:** If you are registered for the semester you plan to begin TOP, you must formally withdraw. See the "Withdrawal Dates/Refund or Assessment Schedule" on page 30.

### Transcripts

- *May be ordered by phone, mail, or in person in Regent 105.*

If you would like to get a copy of your CU academic record for advising purposes, you may call 492-6907 or fill out a form in the lobby of Regent Administrative Center to request that an **unofficial transcript** be sent to any department on campus. A personal copy can also be ordered and will be available the next working day at the transcript/enrollment verification window in the foyer of Regent. The cost is \$1.00 a copy. Same-day processing is available for an additional fee.

Your **official transcript** is the complete record of all courses you have taken at the University of Colorado, both at the undergraduate and graduate level. It contains the signature of the Registrar and the official, embossed seal of the University. Official transcripts are primarily used to support applications for transfer to other academic institutions and for employment purposes.

Official transcripts that include end-of-term grades will be available approximately ten days after final examinations; the degree will be recorded approximately six weeks after graduation.

There is no charge for official transcripts, which are prepared only at the student's request. Typically, official transcripts require a minimum of three working days to process. However, a rush-transcript service is available for a processing fee. Official transcripts may be ordered by telephone at (303) 492-8987 or by mail to: University of Colorado, Office of the Registrar, Transcript Section, Campus Box 68, Boulder, CO 80309-0068.

An **internal transcript**, which includes courses, credits, grades, transfer courses accepted, and grade point average (GPA), will be mailed to your permanent address approximately two weeks after the end of the semester.

## CONFIRMED REGISTRATION

All students will participate in confirmed registration for spring 1994. You will be able to call CU Connect to register for classes, list your schedule, drop and add classes, and sign up for course wait lists. When you register via CU Connect, you will receive immediate confirmation of your enrollment in courses.

### 1 Receiving Your Invitation to Register

• *This form, which will be mailed if you do not have a required orientation, includes your registration time assignment, your personal identification number (PIN), your addresses, and any stops on your registration.*

A personalized invitation to register (see page 35 for a sample invitation) will be mailed to you indicating the date and time you can call CU Connect to register for classes. You can call any time after your time assignment begins, through 10:00 p.m. on January 6 (orientation students have through January 7). However, because confirmed registration is conducted on a first-come, first-served basis, it's to your advantage to call as soon as possible. Classes fill up throughout the registration period. **Note:** If you have any stops, they'll be printed on your invitation to register; you must clear all stops before registering.

Your invitation to register also includes your personal identification number (PIN), which allows you to access CU Connect, Culine-PLUS, and the financial aid telephone system. Your PIN is a randomly set number, must be kept confidential, and will remain the same throughout your career at CU-Boulder.

**Note:** Certain data specific to you is available on these systems. Your PIN controls access to this information.

Federal privacy laws and University policies guarantee your right to access

your own data and protect this data from unauthorized access by others. Unauthorized access of student data can result in student conduct disciplinary action and/or civil and criminal proceedings. The University will provide reasonable physical and electronic security for this data, but it is up to you to not compromise the security of this information. If you feel that your new PIN is not secure, please contact the registrar's office in Regent 105, and another PIN will be assigned to you.

### 2 Getting Your Time Assignment

Registration time assignments are based on class standing, with graduating seniors receiving the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and second-semester freshmen. Time assignments are based on the number of hours you have completed at CU (any campus), including any transfer credit, and any classes you are currently enrolled in (as of October 5). Within these groups, the time assignments are random. Any changes made after that time (courses dropped or added, additional transfer credit) will not change your time assignment.

### 3 Filling Out Your Registration Form

• *Located on page 113 (use the schedule-planning worksheets on pages 110-111 for practice).*

Use the schedule-planning worksheet in the back of this handbook to fill out a preliminary schedule for spring 1994. Then, fill out your confirmed registration form on page 113 before you call CU Connect. It is always a good idea to include additional class choices on your confirmed registration form in case classes you request are full.

### 4 Getting Academic Advising

If you are required to see an academic advisor (indicated on your invitation to register), call or visit your department office as soon as possible. You will need to bring your completed confirmed registration form to your appointment. You will not be allowed to register until you have met with your advisor. (See page 11 for more information.)

### 5 Calling CU Connect

Call CU Connect, (303) 938-8110, from any touch-tone phone. Use the function codes listed on the confirmed registration form and on page 111. You may call any time after your assigned time begins. Follow the instructions on the confirmed registration form.

CU Connect is available Monday through Friday, 7:00 a.m. to 7:00 p.m. and 8:00 p.m. to 10:00 p.m. It is also available on Sundays from 11:00 a.m. to 9:00 p.m. CU Connect will *not* be available on November 25, or January 7 or 9. It *will* be available from 7:00 a.m. to 5:00 p.m. on December 24. **Note:** On January 7, CU Connect will be available *only* to new freshman or transfer students who are attending orientation and registering for the first time.

### 6 Adjusting Your Schedule

• *Make your changes before you return for classes in the spring!*

Once you have registered, you will be able to make adjustments to your schedule by calling CU Connect and dropping or adding classes. Simply follow the CU Connect function codes, described and illustrated on the confirmed registration form, to add or drop classes from your schedule.

## CONFIRMED REGISTRATION

### SEARCHING FOR OPEN COURSE SECTIONS

If you request a course section that has been cancelled or is full, the computerized telephone voice will ask you if you want to conduct a search for open sections of that course. If you do, press 7#.

CU Connect will search for another section of the course that is available during the same time period. If one is available, you can place yourself in that section. If one is not available, it will search for any open section beginning with the first section of the course that is open and fits in with your schedule.

CU Connect will continue the search until an open section is found that fits your schedule or until it is determined that no section for that course is currently open and available.

### COURSE TIME CHANGES

- *Original sections will be cancelled and a new section added.*

Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published. If this is the case, the department cancels the original section and adds a new section that reflects the time change.

If you register for a course and CU Connect tells you the course has been cancelled, please try the search option (7#). CU Connect lets you know if the new section of the course with the time change is available and fits in with your schedule.

### LISTING YOUR SCHEDULE

You can list your schedule any time by logging on to CU Connect and then pressing 5#. If you put your name on a course wait list, you will want to list your schedule frequently to find out if you have been enrolled in the class. Be sure to list your courses on CU Connect or look them up on CULine-PLUS before January 28 to check the status of wait-listed courses.

## WAIT LISTS

**T**hroughout confirmed registration and schedule adjustment, if you are eligible to take a course but find it has been closed, you may be able to put your name on a computerized wait list.

A wait list is a registration feature that allows you to place your name on a computerized list for a course that is currently filled but may have openings later in the registration process. Each department determines if a wait list will be offered for a course and what type of wait list will be used. There are two types of wait lists: *automatic* and *resequenced*.

The *automatic wait list* is set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

The *resequenced wait list* uses a priority system to determine who gets to enroll in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect will inform you if a class you have requested has a wait list and will give you the option of adding your name to the list. Simply press 9# when prompted and listen for verification.

### Wait-Listed Courses

Placing your name on a wait list does not guarantee that you will be able to enroll in the class. Depending on the total number of spaces and the demand for each particular course, spaces may or may not become available at a future time. If you are on a wait list for a course, we recommend that you meet with your academic department to select several other choices that may apply toward your degree program. You may go to the registrar's office in Regent 105, to central drop/add loca-

tions, or use CUline (see page 20) to check lists of all available classes, open classes that meet core-curriculum requirements, and open classes by meeting time.

### Deadlines for Wait Lists

- *Deadline is January 25!*

You will be able to place your name on course wait lists through 10:00 p.m. on Tuesday, January 25. At that time, all wait lists will be frozen.

If you are automatically enrolled from a wait list (January 25 or earlier) into a class that you no longer want and fail to drop it by January 28, you may be charged additional tuition for the class based upon your number of credit hours. Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that class.

If you still want to be enrolled in a class as of January 26, please check with the department offering that course. You must let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after January 25.**

### Wait Lists for Labs and Recitations

- *You must be enrolled in all parts of a lecture/lab/recitation by January 28!*

If you are closed out of a lecture course that has a lab or recitation, you can only be placed on a wait list for the lecture portion of the course. Once you are enrolled in the lecture course from the wait list, you must then add the lab and/or recitation via CU Connect.

You must be enrolled in required labs and recitations by January 28, the last day of schedule adjustment.

### Wait-List Positions

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and schedule-adjustment periods, it's a good idea to list your schedule frequently to find out your position on the wait list. This is a new feature that has been added to CU Connect. (See page 8 for more information.) Beginning January 10, you can also find out your wait-list position at any schedule-adjustment site (see pages 31-32).

If you choose not to remain on a wait list, please drop your name from it as soon as possible by entering 3\*, followed by the course call number. Other students will be waiting to enroll in the course.

### Wait Lists—Important!

- *It is your responsibility to find out if you've been enrolled from a wait list into a class.*

If you place yourself on a wait list during registration or schedule adjustment, it is your responsibility to call CU Connect to find out if you have been enrolled in the class. When a space opens up for you from a wait list, you will be enrolled automatically in the class. No verification will be sent.

**Remember:** If you find that you have been enrolled in a course that you no longer want, please drop it as soon as possible so other students can enroll in the class.

## GETTING YOUR SCHEDULE/BILL

**I**f you register by December 23, you'll receive your class schedule/bill and ID validation sticker in the mail. (These are mailed to your permanent address.) If you receive yours in the mail, and there are no corrections to your class schedule after you receive it, you no longer need to come to campus and pick up another copy. Affix your ID validation sticker to your CU-Boulder photo ID and pay your bill by January 21.

If you make significant changes to your class schedule after you receive it in the mail, or you need another copy of your class schedule, you can get a print out of it in room 1 of the Coors Events/Conference Center, January 10-11, 8:30 a.m. to 4:00 p.m. (except January 11, 8:30 a.m. to 7:00 p.m.) **Note:** There is a \$2 charge for replacement ID validation stickers. From January 12-14, reprints of your schedule/bill will be available on the upper concourse level, Coors Events/Conference Center, 8:30 a.m.-4:00 p.m.

**If you register *after* December 23,** you may pick up your schedule/bill and have your ID validated on January 10, 8:30 a.m. to 4:00 p.m. (and January 11 from 8:30 a.m. to 7:00 p.m.) at the Coors Events/Conference Center, conference level, as follows:

- Last name begins A-I, room 2
- Last name begins J-S, room 3
- Last name begins T-Z, room 5

On January 12-14, you may pick up your schedule/bill and ID validation sticker at the upper concourse level, Coors Events/Conference Center, 8:30 a.m. to 4:00 p.m. Beginning January 18 and thereafter, pick up your schedule/bill and ID validation sticker at Regent, room 1B60.

### Validating Your ID

Students who receive their schedule/bill in the mail will also receive their ID validation sticker. Please affix your ID validation sticker to your CU-Boulder photo ID card.

If you did not receive these in the mail, you may pick up your schedule/bill and have your CU-Boulder photo ID validated at the Coors Events/Conference Center beginning January 10.

If you add more than one course and need a full-fees sticker after receiving a base-fees sticker, you may obtain the proper validation sticker in the Office of the Registrar, Regent 105.

There is a \$2 charge for replacing validation stickers. **Note:** CU-Boulder photo IDs and ID validation stickers are not transferrable. Any person who uses the CU-Boulder photo ID or ID validation sticker of another student, or allows his or her ID to be used by another student, may be subject to disciplinary action.

### Understanding Your Schedule/Bill

Your class schedule lists the courses for which you are registered. If a message instead of a course title is listed, or if a course you requested does not appear, you are not registered for that course.

Some reasons you may not have been enrolled in a course are listed below.

#### "STUDENT INELIGIBLE FOR COURSE"

- **Class Restriction.** Class enrollment may be limited to students who have earned a certain number of hours by the end of the spring semester or by class level. Class restrictions are not likely to change during the schedule-adjustment period.
- **Controlled Enrollment.** Special authorization is required from the department before requesting this class. See the department for information.
- **Major Restriction.** Enrollment is limited to students in specific majors, colleges, or schools. These restrictions are not likely to change during the schedule-adjustment period.

#### "COURSE CANCELLED"

Either the course or the section you requested was cancelled. Contact the department for additional information or try adding a different course or section.

## ADJUSTING YOUR SCHEDULE

**Y**ou may use CU Connect to list your schedule and to make changes during your registration period, as well as during final schedule-adjustment (the first three weeks of the spring semester, January 10 through January 28).

### Schedule-Adjustment Time Assignments

As class schedule/bills are mailed to most students approximately three weeks before the start of classes, time assignments during the final schedule-adjustment period are based upon the last two digits of your student number. **This time assignment is for both computer terminals and for CU Connect.** Time assignments ensure that we will not have too great a volume of students calling CU Connect or going to computer terminals at one time. Schedule-adjustment (drop/add) time assignments are indicated at right and will **not** appear on the class schedule/bill you receive in the mail.

The system will not allow early transactions; therefore, you will *not* be able to drop or add classes before your time assignment. In addition, time assignments will be rotated each semester to ensure fairness.

*Time assignments will be strictly enforced.*

### Adjusting Your Schedule

- Use the schedule adjustment form on page 115.

Complete the form on page 115 of this handbook, filling out call numbers, department abbreviations, and course numbers of classes that you want to drop and/or add to your schedule. Because there will be many closed courses, you should have several second-choice courses available. Lists of available courses can be found at the central schedule-adjustment site (Coors Events/Conference Center), as well as in the lobby of Regent. You can also look up available courses on CULine.

If you would like to add a controlled enrollment or an independent study course, you must go to the department offering the course. Staff there will either enroll you in the course on-line or will

give you a special action form to take to the central drop/add location.

### Looking for Available Classes on CULine

- CULine computer terminals are available throughout campus to check listings of available courses.

To look for available classes at any time during the registration and schedule-adjustment periods, you can access CULine from a computer terminal. CULine will list courses that are open, and entries will be updated regularly.

Over 50 kiosks, with access to CULine, are located in most campus buildings and residence halls.

From the main CULine menu, choose

#### STUDENT ADMIN INFO

by moving the cursor down with the arrow key and pressing RETURN.

At this menu, select

#### COURSE AVAILABILITY

You may look at all available courses offered for spring, all available arts and sciences core courses, or courses available in order of time offered. You can also use CULine to look up final examination schedules, check your billing information, or check your address.

### CULine-PLUS

- Look up your records directly on CULine.

CULine-PLUS (Personal Look Up Service) makes it possible for students to access their individual records. By entering their PIN and student numbers, students can look up their own

## ADJUSTING YOUR SCHEDULE

current billing and financial aid information, grades from previous semesters, and course schedules. To reach CULINE-PLUS, choose CULINE-PLUS from the main CULINE menu and follow the instructions. Students will not have access to any other students' records, only to their own. CULINE is available from more than 50 kiosks located in most campus buildings and residence halls.

### Adjusting Your Schedule at a Computer Terminal

• *Computer terminals will be available in academic departments and the Coors Events/Conference Center (January 10 through January 14) and Regent 1B60 (January 18 through January 28).*

To change your schedule at a computer terminal (during the schedule-adjustment period of January 10 through January 28), go to any of the following computer terminal locations set up throughout campus after your schedule-adjustment time assignment begins, and a computer operator will assist you. A photo ID is required to change your schedule at a computer terminal.

Take your completed schedule-adjustment form, your RHSC, and a personal ID with you to a terminal.

When adjusting your schedule at a computer terminal, you must have the course subject, the course number, and the section number; *call numbers are not used at computer terminals*. Refer to your completed schedule-adjustment form on page 115.

If you make these changes by phone, there is the possibility you won't be able to add the course back once you have dropped it. Please make these changes at the Coors Events/Conference Center (January 10 through January 14) or Regent 1B60 (January 18 through January 28).

### Deadline for Schedule Adjustment (Drop/Add)

• *Friday, January 28, at 4:00 p.m.*

The deadline for dropping and adding classes for spring semester 1994 is 4:00 p.m., Friday, January 28. After that time, no adds will be permitted unless there are extenuating circumstances, and no tuition adjustments will be made for dropped classes. Please make your changes early to avoid the deadline rush.

After January 28, to add a class you must contact your deans office to begin this process and must have both your instructor's and your dean's approval on a special action form. Again, no "adds" will be permitted unless there are extenuating circumstances.

After January 28 and through February 22 (4:00 p.m.), to drop a class you must be passing a course to drop it, and a special action form must be completed and signed by your instructor and turned in to the registrar's office.

After February 22, you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). To drop a class after February 22, you must have your instruc-

tor's approval, as well as the approval of your dean. Their signatures must be on a special action form, or your request will not be processed.

### Deadline for Wait Lists

- *Deadline to add your name to a wait list is Tuesday, January 25.*
- *Check with the department January 26 through January 28 if you still want to enroll in a course.*

You will be able to place your name on wait lists through 10:00 p.m. on Tuesday, January 25. After this date, wait lists will be frozen. **If you are on a wait list as of January 26 and are still interested in taking the class, you should check with the department offering the course.**

You must let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after January 25.** All department wait lists will be cancelled at 4:00 p.m. on Friday, January 28, the last day to drop and add classes.

### Wait Lists—Important!

- *Check your schedule often, using the list option (5#) to find out if you have been enrolled in a class.*

Remember to check CU Connect for your wait-list status. It's easy to do! Simply call CU Connect after your time assignment begins to list your schedule or go to a terminal to check your status. If you forget that you are on a wait list and are placed in a class and do not drop

it by January 28, you may be charged tuition for the class, and you will receive an *F* if you do not attend.

### Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

**Note:** If you stop attending a course without officially dropping it, you will receive a grade of *F* in that course.

## TUITION AND FEES

### Tuition and Fee Information from CULine-PLUS

Do you need to know how much you owe on your tuition and fee bill? Has your financial aid been applied to your bill and is a refund check available to pick-up? What is the due date of the next tuition and fee bill, and what happens if it is past due?

All these questions can be answered by accessing CULine-PLUS anytime, including nights and weekends, at various terminals located around the campus. If you have any questions regarding

tuition information on CULine-PLUS, please call the Bursar's Office at (303) 492-5381.

### Tuition and Fees

Tuition and fees are due by Friday, January 21. You may drop off your payment at one of the tuition drop boxes in the lobby or at the north or south entrance of Regent Administrative Center, in the Coors Events/Conference Center (January 10-21), or mail it via U.S. mail. There are penalties for nonpayment and for late payment (see page 27).

## TUITION AND FEES

Students taking only Ph.D. Dissertation (E Grad Status; course numbers 8990-8999) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

Students registered as Approved Doctoral Candidate (D Grad Status) will be assessed tuition at the same in-state rates as listed in the graduate tuition chart.

**Out-of-State:** Students taking only Master's Candidate (B Grad Status; course numbers 6940-6949) will be assessed tuition at the following flat rate: Business, \$1,164; Engineering, \$1,167; Law, \$1,209; MBA, \$1,185; all others, \$1,131.

Students registered as Approved Doctoral Candidate (D Grad Status) and those taking only Ph.D. Dissertation (E Grad Status; course numbers 8990-8999) will be assessed tuition at the following rate, multiplied by the number of credit hours of enrollment: Business, \$388; Engineering, \$389; Law, \$403; MBA, \$395; all others, \$377.

### Understanding Tuition Charges

- *After January 28, there will be no tuition or course fee adjustment for courses dropped. However, tuition for classes added will be assessed and billed.*
- *A tuition surcharge is assessed for every credit hour over 18.*
- *Tuition for a no-credit course is the same as for a course taken for credit.*
- *Tuition for a 0-credit-hour course is charged at the rate of a 1-credit-hour class.*
- *Nondegree students with a prior baccalaureate are assessed tuition at the graduate student rate.*
- *Nondegree students without a baccalaureate degree are assessed tuition at the undergraduate rate.*

### Residency

If you're an out-of-state resident seeking in-state classification for spring 1994, you should turn in your residency petition by 4:00 p.m., December 29, 1993, to the Tuition Classification Office in Regent 1B54, Campus Box 68, CU-Boulder, Boulder, CO 80309-0068.

Petitions will still be accepted through January 14, 1994, but you will not receive a decision by the tuition-payment deadline. Adjustments will be made if your application is approved.

Students submitting a completed petition by November 1, 1993, will receive a decision by the enrollment-deposit refund deadline of December 30. If you are a financial-aid recipient seeking in-state classification, be sure to submit your petition by November 1 to make sure your financial-aid award is processed in time for spring semester.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 1B54, or by calling (303) 492-6868.

### UCSU Student Fees

Mandatory UCSU student fees of \$171.65 are considered as important as tuition and may only be waived due to extraordinary circumstances. If fees are waived, students must still pay the base fee of \$33.98. Students who wish to petition for a waiver of UCSU fees must do so by 4:00 p.m. on January 21. *No late petitions will be accepted.* Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. **Note:** Students covered by the student health insurance cannot have their full student fees waived.

All Boulder main-campus students taking one course or 5 or fewer hours will be assessed a base fee of \$33.98 and will receive a base-fees sticker for their ID. These students will not be allowed to use Wardenburg Services or the Recreation Center unless they pay separate, one-time user fees or full student fees. Doctoral students taking thesis hours only and master's candidates for degree taking thesis hours only will be assessed

only the base fee, unless they have the student health insurance and then they will pay full student fees. Approved doctoral candidates will be assessed only the base fees unless they have the student health insurance, and then they will pay doctoral fees of \$84.21.

### Mandatory Fee Information

In addition, all students are assessed an RTD bus-pass fee. The fee (\$11.25 a semester for all students) entitles you to free unlimited ridership, using your validated student ID, on local and express bus routes. To ride the regional routes, you'll need to pay \$1 each time.

Also, students registered for 4 or more credit hours are assessed an athletic fee of \$28.50 each semester. Students are also charged a nominal fee for basic computing and information services. Students enrolled for 6 or fewer credit hours are charged \$6; students enrolled for 7 or more credit hours are charged \$12.

### Course Fees Explanation

In the fall of 1993, the Boulder campus expanded the number of course fees that are charged to students. This charge is to help offset the higher costs of specialized supplies, equipment, and materials that are required to teach courses in these departments and will be used to purchase studio and laboratory supplies and equipment for these individual colleges, schools, and departments. Course fees are assessed for each course taught in the following departments.

|  |      |
|--|------|
| Astrophysical, Planetary, and Atmospheric Sciences | \$20 |
| Chemistry and Biochemistry                         | \$20 |
| Engineering  | \$9  |
| Geological Sciences                                | \$20 |
| EPO Biology  | \$20 |
| Journalism   | \$15 |
| Kinesiology  | \$20 |
| MCD Biology  | \$20 |
| Music  | \$12 |
| Physics  | \$20 |

Course fees already exist in the College of Architecture and Planning, the Department of Fine Arts, and the School of Law.

Comments are welcome and should be addressed in writing to the Office of the Chancellor, Campus Box 17.

### Matriculation Fee

There is a one-time, nonrefundable matriculation fee of \$15, which is assessed at the time of initial registration, for students entering a program and for new degree students. Nondegree students who are admitted to degree status are assessed the matriculation fee at the time of their first registration after they have become degree-seeking students.

### Enrollment Deposit

Your \$200 enrollment deposit will be held for you until you graduate or officially withdraw from the University within established dates and guidelines (see page 30 for the "Withdrawal Refund or Assessment Schedule"). At that time, the deposit will be credited toward any outstanding financial obligations you have, and a refund will be mailed to you within approximately eight weeks.

If you elect to enroll at the University in the semester following graduation, your enrollment deposit will remain on your account. It will be refunded to you when you are no longer enrolled.

### Student Health Insurance

All students enrolled for 6 credit hours or more on January 28 will automatically be assessed for student health insurance, which provides up to 100 percent coverage for eligible medical costs incurred at Wardenburg Student Health Center (WSHC). It provides 75 to 100 percent coverage, after a deductible is satisfied, at other medical facilities, depending upon the type of service rendered and the provider. The plan provides up to \$250,000 in coverage per illness or injury on a world-wide basis. Benefits are pro-

vided all year round when both fall and spring semester coverage are purchased.

If you are taking 5 or fewer semester hours, or are enrolled in the SAVE, Continuing Education, or Time-out Program, the University-sponsored health plan is available at the same price that full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. **Exception:** Status D graduate students requesting student group insurance will be charged full price for the insurance, and UCSU student fees may be reduced. Students with 5 or fewer semester hours, or in the programs listed above, wishing to enroll in the Student Health Plan, need to sign up at WSHC.

If you hold at least a 20% appointment as a teaching, research, or graduate assistant, or as a graduate part-time instructor, you are eligible for a contribution toward student insurance. The University will contribute a portion of the cost toward either Option A or B.

If you do not wish to purchase the student health insurance, you may complete a waiver to remove this charge from your bill. To be honored, waivers must be turned in to WSHC by January 21, 1994. You do not need to submit a selection/waiver form in the spring semester if you submitted one in the fall 1993 semester, unless you wish to change your insurance option. There will be no automatic student insurance adjustments for students who either increase or decrease their credit hours, or withdraw, after the waiver cutoff deadline of January 28, 1994. Approved doctoral candidate students who desire to purchase the UCSU health insurance plan may do so without paying additional student fees. However, those doctoral students who choose to waive the additional student fees will not be eligible for the reduced student rate at WSHC.

## PAYING YOUR BILL

**T**o pay your bill, make out a personal check, certified check, or cashier's check to the University of Colorado. Make sure your name and student number are on the check. Mail the check with the top portion of your bill to the Denver post-office box noted on the bill, or use one of the tuition drop boxes in the lobby and at the north and south entrances of Regent. *Do not use campus mail.* The payment deadline is **4:00 p.m. on Friday, January 21.** Note: All checks containing restrictive endorsements are null and void and nonbinding on the University.

Permanent drop boxes are located outside Regent Administrative Center at the north and south entrances. The boxes are available 24 hours a day, seven days a week, for any bills owed to the Bursar's Office. There also will be tuition-payment drop boxes at the deferred-tuition area in the Coors Events/Conference Center from January 10 through January 21.

If you must send payments via express mail, send them to the Bursar's Office, Regent Hall, Room 150, University of Colorado at Boulder, Boulder, CO 80309.

If you are using the U.S. Postal Service, please mail your payment early. The **University must receive your bill by January 21.** Postmark dates are *not* honored. If you do not receive a tuition and fee bill, you are still responsible to know the amount of your bill and to pay on time.

For your convenience, the Bursar's Office will have extended hours on Tuesday, January 18. It will be open 8:30 a.m. to 7:00 p.m. for billing questions, tuition payment, loan- and refund-check distribution, and deferred tuition.

### Tuition Payment Options—Deferred Tuition

If you foresee any problem in paying your bill in full by January 21, you can elect to defer up to one-half of your balance due. By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you will be allowed to pay only one-half of the amount due on January 21. You will need to pay the remaining balance plus a 1 percent finance charge by February 25, 1994.

If you do not receive a schedule/bill in the mail, or if the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the Coors Events/Conference Center, January 10 through January 21, between 8:30 a.m. and 4:00 p.m. (except 8:30 a.m. to 7:00 p.m. on January 11).

### Failure to Pay in Full by the Deadline

University policy requires us to place a financial stop on your record if you fail to pay your full tuition and fee bill by the published deadline. This stop will prevent you from registering for any future terms, receiving your diploma, or receiving a transcript of your work at the University. Also, you may be withdrawn from the University for future terms.

Colorado law requires the University to place all delinquent accounts with the state's Central Collection Services Office. If your account is referred to a credit agency, you must pay any collection costs allowed by the Uniform Consumer Credit Code.

A late-payment charge, in addition to a service charge on the unpaid balance (1 percent per month), will be assessed according to the following schedule:

| BALANCE DUE  | LATE CHARGE |
|--------------|-------------|
| \$ 1-\$99.99 | \$5         |
| 100-299.99   | 10          |
| 300-499.99   | 20          |
| 500-699.99   | 30          |
| 700-899.99   | 40          |
| 900 and over | 50          |

### Personal Check Policy

Any student writing a bad check to the University may jeopardize future registration and may be subject to late charges and service charges. A \$17 returned-check charge will be assessed, in addition to the amount due to the University. The student also may be liable for collection costs and prosecution under the Colorado Criminal Statutes. CU-Boulder is a member of the Boulder Credit Bureau. Specific inquiries concerning reporting should be directed to the Student Debt Management section of the Bursar's Office.

## FINANCIAL AID

If you meet all of the qualifications to receive your student-aid funds, then your scholarship or grant will be applied automatically to your schedule/bill. See CUline if your aid does not appear on your bill.

### Refund Checks

Checks for financial-aid funds in excess of your University bill will be available at the Coors Events/Conference Center, **January 10 through January 21, 8:30 a.m. to 4:00 p.m.** (until 7:00 p.m. on Tuesday, January 11). Beginning January 24, you may pick up your check at the Bursar's Office in Regent. Checks for the balance of funds will *not* be mailed.

### Federal Perkins Loans

If you are awarded and accept your spring Federal Perkins Loan and sign your promissory note, your Federal Perkins Loan will be applied to your bill. If you did not sign the promissory note, you may do so at the Coors Events/Conference Center from January 10 through January 21, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, January 11).

Beginning January 24, you may sign your promissory note at the Office of Financial Aid, Environmental Design, room 2. If you have questions about Federal Perkins Loans, call (303) 492-5091 and press \*H.

### Emergency Short-Term Loans

Emergency short-term loans are available through the Office of Financial Aid for students whose aid funds are delayed or who have experienced a shortage of funds to meet some expense.

To qualify, students must be at least 18 years of age, be enrolled at least half-time on the Boulder campus (SAVE and continuing education students are not eligible), and must present a photo ID. All loans must be backed by financial aid or have a co-signer who is either a faculty or staff member or a student at CU-Boulder. The maximum amount that can be borrowed is \$350.

### Federal Stafford and SLS Loans

Federal Stafford Loan and Supplemental Loan for Students (SLS) checks will be available in the Coors Events/Conference Center from January 10 through January 21, 8:30 a.m. to 4:00 p.m. (until 7:00 p.m. on Tuesday, January 11).

If you are borrowing a Federal Stafford Loan or SLS for the first time at CU-Boulder, you *must* watch an "Entrance Interview" video that outlines your responsibilities in borrowing federal funds. At the viewing, you will be given a printed sheet that you must present to receive your student loan check.

If you are an undergraduate student in the first year of your program, or a transfer student with less than 30 hours at CU-Boulder, and you are borrowing a Federal Stafford Loan or a Federal Sup-

plemental Loan for Students for the first time at CU-Boulder, then your loan funds will be available after 30 days of the semester have passed. Plan accordingly so you will have sufficient funds to pay your bills by the deadlines.

### Reasonable Academic Progress

In order to receive financial aid, you must maintain reasonable academic progress toward a degree. The policy is published in a fact sheet and is available at the Office of Financial Aid, Environmental Design, room 2.

### Veterans' Benefits

If you are entitled to veterans' benefits, it's important that you write or call Veterans' Services, Office of Financial Aid, Campus Box 106, CU-Boulder, Boulder, CO 80309-0106, (303) 492-7322.

### Automated Phone System

If you call from a touch-tone phone, you may request services or receive information (day or night) from our automated phone system. Call 492-5091 and press 1 and 1 again to access your own financial-aid file. Have your student ID number and PIN ready. From 9:00 a.m. to 4:00 p.m., Monday through Friday, you may call and press \*H to speak with a financial-aid advisor. If you call and press 2, you will get Student Employment. Avoid lines and waiting for advisors. Use the automated phone system!

## OTHER REGISTRATIONS

**A** number of different registrations are held each semester for specific categories of students. If you have questions about any of these special registrations, please call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

### Concurrent Registration

- *Obtain forms in Regent 105 beginning January 3.*

If you plan to take at least one course at CU-Boulder in the spring but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

**Note:** Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Concurrent registration forms and instructions will be available at the registrar's office in Regent 105 beginning January 3 from 9:00 a.m. to 4:00 p.m. You cannot register concurrently until after schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all classes. For information, please call (303) 492-6581.

### High School Nondegree Registration

The high school nondegree program is coordinated by the Division of Continuing Education. Registration is held

through the SAVE program. Please contact Continuing Education at (303) 492-5148.

### Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Please check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

### Late Registration

To be guaranteed enrollment for spring 1994, all students must complete registration by 10:00 p.m. on January 6. (Exception: New freshman and transfer students attending the final arts and sciences, business, or engineering orientation must register by 10:00 p.m. on January 7.) Students who don't register by these dates (including graduate students) are subject to late registration. Only students in open categories for late registration will be allowed to register, and lower priority and a \$20 late fee will apply. Remember that many courses are full by this time. Continuing students can call (303) 492-6970 beginning at 9:00 a.m. on January 7 to see if they're eligible for late registration. Those students who are eligible must go to the Coors Events/Conference Center. New students must go to Admissions Processing, Regent 1B65.

### On-Campus Registration

- *Deadline to register is January 6.*

Students who are not required to attend an orientation and who have not received registration materials for spring before January 3 may pick up registration materials in Regent 105 between

9:00 a.m. and 4:00 p.m. Telephone registration must be completed by 10:00 p.m. on January 6. This registration does not apply to students who must attend the final required orientation program. For more information, call the registrar's office at (303) 492-6970.

### Registration for Faculty and Staff

All permanent faculty and staff members at CU-Boulder may take 1 to 6 free credit hours each year. The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time employment status. Enrollment is usually held on a space-available basis in conjunction with late registration (beginning January 11), unless the faculty or staff member wishes to register early. In that case, registration takes place via CU Connect before January 7, and full tuition and fees are charged.

Faculty and staff members who wish to take a course as nondegree students will need to take a copy of their current Personnel Action Form (PAF) and a nondegree student application to the Bursar's Office, Regent 150, by December 3, 1993. Office hours are 9:00 a.m. to 4:00 p.m. (Faculty and staff who are enrolled as nondegree students on the Boulder campus during fall semester 1993 will be set up automatically for spring 1994, although application for free credit hours must be made separately each semester.) A current PAF is required for each semester for which a waiver is needed.

Student activity fees will not be charged if registration takes place during late registration, with the exception of the student computing fee of \$6 or \$12 (depending on the number of credit hours taken) and the Student Information System fee of \$6. Finally, a charge

## OTHER REGISTRATIONS/WITHDRAWING

of \$11.25 for an RTD bus pass will be assessed of all students, including faculty and staff registered as students.

Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call (303) 492-4369 or 492-3048.

### Space-Available (SAVE) Registration

Boulder campus classes may be taken by nondegree students on a space-available basis. Registration takes place at the Coors Events/Conference Center, January 13-14. Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment.

**Exception:** Out-of-state students who want to register for only 3 credit hours or less can do so at the in-state tuition rate by registering through SAVE. (Out-of-state students registered for 4 hours or more through SAVE will be assessed at the regular out-of-state tuition rate.)

Through the SAVE program, students register for Boulder main-campus courses, but they pay Continuing Education for those courses. Newly admitted degree students who haven't completed a semester on the Boulder main campus can choose this option but must register as nondegree students through SAVE and reapply through the Office of Admissions when they want to return. These students need to be aware of the number of hours they can take as nondegree students that will transfer to a degree program. For eligibility information, call Continuing Education at (303) 492-5148.

### Withdrawal Procedures

If you need to withdraw from spring semester 1994 before January 28, you can fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007.

If you withdraw after the third week of the semester (January 28), you must complete a withdrawal interview. The interviewer will discuss procedures for withdrawing and your reasons for leaving. You won't need to drop your classes; that will be done for you.

If you don't officially withdraw, a failing grade may be recorded for all of your classes. **Remember:** Deadlines and rules for withdrawing may vary with each college and school. Check with your dean's office.

Tuition assessments for first-time students with financial aid may differ from those listed at right, due to enactment of the Higher Education Amendments of 1992, Part G, Section 484B. Please check with the Bursar's Office at (303) 492-5381.

| WITHDRAWAL DATES           | REFUND OR ASSESSMENT SCHEDULE  |

### Graduation Rates

Of freshmen who entered the University in summer or fall 1987 and were enrolled full time in fall 1987, 35 percent graduated within four years, 59 percent graduated within five years, and 64 percent graduated within six years. Graduation rates for the entering classes in 1988 and 1989 are similar.

## ABOUT THE COURSE LISTINGS

The following course listings run the length of the entire two-page left column and the entire two-page right column.

### Understanding Course Numbers

Courses are numbered according to the following guidelines:

- 1000-2999 Lower-division courses (generally appropriate for freshmen and sophomores).
- 3000-4999 Upper-division courses (primarily for juniors and seniors).
- 5000-5999 Courses primarily intended for grad students, but may be open to qualified undergraduates under some circumstances (see individual faculty).
- 6000-8999 Courses open to graduate students only (see individual department offices for special provisions).

### Understanding Course Listings

The headers at the top of each column of course listings, in order from left to right, include:

**Department**—The department name, abbreviated to four letters.

**Course Number**—The four-digit number used to identify the course.

**Core Diamonds**—A diamond (♦) appears to the left of courses offered for the College of Arts and Sciences core curriculum.

**Credits**—The number of credit hours offered for the class.

**Course Title**—Often abbreviated. Refer to the catalog for the complete title and course description.

**Section Number**—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R precedes the section number, it indicates that the section is a recitation (rec); when an L precedes the section number, it indicates that the section is a laboratory (lab). When a rec or lab section is indicated, it must be taken in addition to the lecture. Some classes have all three: lecture, lab, and recitation.

**Call Number**—The five-digit number, specific to a particular term, used for requesting a specific section of a course via CU Connect.

**Time/Days**—Meeting time and days of the class (T is Tuesday, R is Thursday, and U is Sunday).

**Building/Room**—The building name and room number where the class meets (see the campus map for the building abbreviations).

**Instructor**—The instructor's name, when available.

**Maximum Enrollment**—The maximum number of students allowed to enroll in the course.

When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed.

**Remember:** Some courses may not be available to you because of college or school restrictions or because of class-size limitations. Should this be the case, CU Connect will inform you with an appropriate message.

**Building abbreviations are now included on the campus map on pages 116-117.**

## University Writing Program

ADVISORY TO STUDENTS IN THE COLLEGE OF ARTS AND SCIENCES: STUDENTS FIRST ENTERING THE COLLEGE DURING SUMMER 1992 OR LATER MUST PASS AN APPROVED UPPER-DIVISION (3000 AND ABOVE) WRITING COURSE OR PASS THE WRITING PROFICIENCY TEST TO FULFILL THE CORE CURRICULUM WRITTEN COMMUNICATION REQUIREMENT. CONTINUING STUDENTS WHO HAVE NOT YET COMPLETED THIS REQUIREMENT ARE ADVISED TO TAKE AN APPROVED UPPER-DIVISION WRITING COURSE SUCH AS UWRP 3020 DURING THEIR JUNIOR OR SENIOR YEAR. IN PAST SEMESTERS, PLACEMENT IN FRESHMAN-LEVEL WRITING CLASSES WAS DETERMINED BY DIAGNOSTIC TESTING. THIS SEMESTER, BY CONTRAST, IF YOU ARE ENROLLING AT THE FRESHMAN LEVEL, YOU ARE ASKED TO ASSESS YOUR OWN SKILLS AND CHOOSE THE COURSE (UWRP 1150 OR 1250) APPROPRIATE TO YOUR NEEDS. PLEASE CONSULT THE COURSE CATALOG FOR DESCRIPTIONS OF UWRP 1150 AND 1250. YOU WILL NOT BE ALLOWED TO ADD UWRP COURSES AFTER FRIDAY, JANUARY 21, UNLESS YOU HAVE DEPARTMENTAL APPROVAL. UNIVERSITY WRITING PROGRAM COURSES DO NOT FULFILL THE HUMANITIES REQUIREMENT.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 109). You may *not* use courses taken to complete a MAPS deficiency to fulfill any area of the core curriculum, with the exception of foreign language.

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. Each requirement is designed to assure that you have attained a minimum level of competency in that area. The requirements are all listed below, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the *University of Colorado Catalog*.

Selected majors are exempt from portions of the core curriculum (see sections 4, 5, and 6 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one requirement.

♦ Courses offered during spring 1994 that meet the core requirements are listed with this symbol in the course listings.

### New, Updated Core Requirements

There are a number of changes to the core curriculum as of summer 1993. If you enrolled in the College of Arts and Sciences before summer 1993, you may choose to abide by these new requirements or you may complete the core requirements that you enrolled under.

These requirements have been changed:

- 15 hours of upper-division course work *overall* in the core are no longer required. However, upper-division courses are still required for written communication, critical thinking, literature and the arts, and contemporary societies, unless noted otherwise.
- There is no longer a limit on the number of upper-division hours that may be taken from one department to meet core requirements.
- There is no longer a limit on the number of core content areas that may be met by course work from one department.
- Historical Context A and B lists have been merged. The requirement may be met now by passing any 6 hours of approved course work.

5. Under the core natural science requirement, courses listed under EPOB, MCDB, and NASC are no longer considered as being from a single department.

As these requirements and course offerings are subject to change, please consult the dean's office in the College of Arts and Sciences for more information.

## Skills Acquisition

MINIMUM ACADEMIC PREPARATION STANDARDS

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the minimum academic preparation standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have a common core of information upon entry into the University.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

|                  |  |
|------------------|--|
| English          | 4 high school years (including 2 in composition)   |
| Mathematics      | 3 high school years (2 in algebra and 1 in geometry)   |
| Natural Science  | 3 high school years (including 2 in lab science, one of which must be chemistry or physics)  |
| Social Science   | 3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography) |
| Foreign Language | Completion of a third-level course (full year) in a high school foreign language sequence  |

Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

- Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
- All course work taken toward fulfillment of the MAPS must be taken for a letter grade and you must receive a passing grade.
- You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, to transfer students, and to students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement will result in suspension at the end of the term in which you cease to complete missing MAPS courses.
- All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school will be required to meet the MAPS specified for the new college or school, irrespective of their completion of MAPS courses in their previous college or school.
- Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
- During the arts and sciences orientation, you must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.

Note: For additional information, consult the Arts and Sciences dean's office.
